The Maple Glen Elementary Giving Tree

The Maple Glen Giving Tree works to help address the needs of Maple Glen families struggling with financial difficulties, illness and family emergencies.

For many years, The Giving Tree has supported a sense of community by providing an opportunity for acts of kindness and generosity to make a meaningful difference for families facing difficult circumstances.

Requested needs have included clothing, household items, furniture, groceries and holiday wishes that have been communicated to Mrs. Hamilton, MGES School Counselor.

If your family is experiencing a difficult time, or if you know of a family in need, please contact Mrs. Hamilton for caring and confidential assistance.

Mrs. Hamilton,
Maple Glen Elementary School Counselor
