**Sub: "No Drugs Campaign" for Students.**

Jai Hind Sir/Ma'am!

I am writing to you on behalf of Invincible NGO. Invincible is India's largest adventure organisation. In these 10 years, more than 2,00,000 young minds have undergone camping & trekking with Invincible and other 12,000+ students have been benefited through other training programs like Youth Brigade and AdvaNature.

Invincible has initiated the 'No Drugs Campaign' with the aim of raising awareness about drug abuse and creating a drug-free environment. This campaign is dedicated to empowering today's youth and raising awareness about the devastating impact and consequences of drug abuse. The No Drugs Campaign is a comprehensive, community-driven initiative designed to raise awareness, educate, and engage individuals of all ages in the fight against drug abuse. Our purpose is to foster a drug-free culture, emphasizing the importance of prevention, early intervention.

It is very much important that students become aware about Drug abuse and its long term impacts. We kindly request to allow us to organise "Drug Awareness" seminar for students. We need approximate 1 hr to conduct this seminar. This permission to interact with students would aware them and provide a much-needed boost to our awareness campaign efforts.

Willing for a better nation!  
Jai Hind!

Yours sincerely,
