

Obstructing by Force the Free exercise of Religious Beliefs

by Subjecting to Satanic Religious Ceremony
by denying Common Law as found in the Holy Bible,
with lies and fraud and a foreign unconstitutional jurisdiction
under Private International Law and their Roman Cult handlers

IN THE NAME AND BY AUTHORITY OF THE STATE OF TEXAS

As a direct descendant of the founders of the Constitution for the United States of America (Supreme Law of the land) and as one of "the Posterity" found in the preamble, by right of blood, I hereby declare;

Christina Melton Crain is on the University of Texas Board of Regents, and a BAR member, and an officer of the Court and deemed to know the law.

"Officers of the court have no immunity, when violating a constitutional right, for they are deemed to know the law." Owens v Independence 100 S.C.T. 1398 (Ezra 7:23-26)

I have reason to believe and do believe that Christina Melton Crain is Obstructing by Force the Free exercise of Religious Beliefs by Subjecting Diane XXXXX to a Satanic Religious Ceremony, by denying Common Law as found in the Holy Bible, with lies and fraud and a foreign unconstitutional jurisdiction under Private International Law and their Roman Cult handlers in violation of 18 USC § 247 Damage to Religious Property; Obstruction of persons in the free exercise of religious beliefs

(a) Whoever, in any of the circumstances referred to in subsection (b) of this section—

(2) intentionally obstructs, by force or threat of force, including by threat of force against religious real property, any person in the enjoyment of that person's free exercise of religious beliefs, or attempts to do so;

shall be punished as provided in subsection (d).

(b) The circumstances referred to in subsection (a) are that the offense is in or affects interstate or foreign commerce.

(d) The punishment for a violation of subsection (a) or (c) of this section shall be—

(1) if death results from acts committed in violation of this section or if such acts include kidnapping or an attempt to kidnap, aggravated sexual abuse or an attempt to commit aggravated sexual abuse, or an attempt to kill, a fine in accordance with this title and imprisonment for any term of years or for life, or both, or may be sentenced to death;

(5) in any other case, a fine in accordance with this title and imprisonment for not more than one year, or both. 18 USC § 247 Damage to Religious Property; Obstruction of persons in the free exercise of religious beliefs

in support of their Criminal Street Gang

Sec. 71.01. DEFINITIONS. In this chapter,

(a) "Combination" means three or more persons who collaborate in carrying on criminal activities, although:

(1) participants may not know each other's identity;

(2) membership in the combination may change from time to time; and

(3) participants may stand in a wholesaler-retailer or other arm's-length relationship in illicit distribution operations.

(b) "Conspires to commit" means that a person agrees with one or more persons that they or one or more of them engage in conduct that would constitute the offense and that person and one or more of them perform an overt act in pursuance of the agreement. An agreement constituting conspiring to commit may be inferred from the acts of the parties.

(c) "Profits" means property constituting or derived from any proceeds obtained, directly or indirectly, from an offense listed in Section [71.02](#).

(d) "Criminal street gang" means three or more persons having a common identifying sign or symbol or an identifiable leadership who continuously or regularly associate in the commission of criminal activities.

because she is Chief Counsel for the University of Texas Board of Regents, and she authorized Dr. Peter Pisters to send an email requiring Diane XXXXX, and other employees of the MD Anderson Cancer Center to participate in his biological medical experiments with an experimental injection that they are calling a vaccine, and they are required to know that any so-called COVID-19 vaccination is an unapproved medical experiment, and is responsible for Obstructing by Force the Free exercise of Christian Religious Beliefs by Subjecting Diane XXXXX to a Satanic Religious Ceremony, by denying Common Law as found in the Holy Bible, with lies and fraud and a foreign unconstitutional jurisdiction under Private International Law and their Roman Cult handlers, because Civil Law, Roman Law Municipal Law, and Roman Civil Law are convertible phrases

"Civil Law," "Roman Law," and "Roman Civil Law" are convertible phrases, meaning the same system of jurisprudence. That rule of action which every particular nation, commonwealth, or city has established peculiarly for itself; more properly called "municipal" law, to distinguish it from the "law of nature," and from international law. See Bowyer, Mod. Civil Law, 19; Sevier v. Riley, 189 Cal. 170, 244 P. 323, 325" Black's Law Dictionary, Revised 4th Edition, page 312 [emphasis added]

and there is a maxim of Roman Law

Let him who is willing to be deceived be deceived

which is very similar to the Maxim of equity

Equity will not assist a volunteer

and they lie and cheat and steal and engage in fraud and deception when they criminally convert your name into DIANE XXXXX (in this case) which is a Roman Cult cestui que trust

"Yet still it was found difficult to set bounds to ecclesiastical ingenuity; for when they were driven out of all their former holds, they devised a new method of conveyance, by which the lands were granted, not to themselves directly, but to nominal feoffees to the use of the religious houses; thus distinguishing between the possession and the use, and receiving the actual profits, while the seisin of the lands remained in the nominal feoffee, who was held by the courts of equity (then under the direction of the clergy) to be bound in conscience to account [taxes] to his cestui que use for the rents and emoluments of the estate: and it is to these inventions that our practitioners are indebted for the introduction of uses and trusts, the foundation of modern conveyancing." under the Code of Law for the District of Columbia

"Chap. 854. – An Act to establish a code of law for the District of Columbia." which was Approved on March 3, 1901, by the Fifty-Sixth Congress, Session II, at 31 Stat. 1189, and at 2, where it says;

"And be it further enacted, That in the interpretation and construction of said code the following rules shall be observed namely:...

"Third. The word "person" shall be held to apply to partnerships and corporations, ...", [emphasis added]

"The Legal Estate to be in Cestui Que Use" Chapter Fifty-Six in Sec. 1617, at 31 Stat. 1432

and they presume you are dead

Chapter three – Absence for Seven Years, in Sec. 252, at 31 Stat. 1230, where it says;

“SEC. 252. PRESUMPTION OF DEATH. - If any person shall leave his domicile without any known intention of changing the same, and shall not return or be heard from for seven years from the time of his so leaving, he shall be presumed to be dead, in any case wherein his death shall come in question, unless proof be made that he was alive within that time.,

and Christina Melton Crain and Dr. Peter Pisters are required to know that they are engaged in War Crimes against Diane XXXXX and the rest of the employees of MD Anderson Cancer Center with his forced biological medical experiments and by taking reprisals against her for her religious beliefs

“No protected person may be punished for an offence he or she has not personally committed. Collective penalties and likewise all measures of intimidation or of terrorism are prohibited.

Pillage is prohibited.

Reprisals against protected persons and their property are prohibited.” Article 33, Geneva Convention Relative to the Protection of Civilians in Time of War of 1949 [emphasis added]

“Protected persons are entitled, in all circumstances, to respect for their persons, their honour, their family rights, their religious convictions and practices, and their manners and customs.

They shall at all times be humanely treated, and shall be protected especially against all acts of violence or threats thereof and against insults and public curiosity.

Without prejudice to the provisions relating to their state of health, age and sex, all protected persons shall be treated with the same consideration by the Party to the conflict in whose power they are, without any adverse distinction based, in particular, on race, religion or political opinion....” Article 27, Geneva Convention Relative to the Protection of Civilians in Time of War of 1949 [emphasis added]

and Christina Melton Crain and Dr. Peter Pisters are required to know that the religious beliefs of Diane XXXXX, are NONE of their business and any interrogatories they have presented to Diane XXXXX is an attempt to coerce information from her, which is another war crime

“No physical or moral coercion shall be exercised against protected persons, in particular to obtain information from them or from third parties.” Article 31, Geneva Convention Relative to the Treatment of Civilians in a Time of War of 1949

“The High Contracting Parties specifically agree that each of them is prohibited from taking any measure of such a character as to cause the physical suffering or extermination of protected persons in their hands. This prohibition applies not only to murder, torture, corporal punishment, mutilation and medical or scientific experiments not necessitated by the medical treatment of a protected person, but also to any other measures of brutality whether applied by civilian or military agents.” Article 32, Geneva Convention to the Relative to the Treatment of Civilians in a Time of War of 1949

and Christina Melton Crain and Dr. Peter Pisters are required to know that they are violating Article 1 of the Nuremburg Code

1. The voluntary consent of the human subject is absolutely essential.

This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, over-reaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved, as to enable him to make an understanding and enlightened decision. This latter element requires that, before the acceptance of an affirmative decision by the experimental subject, there should be made known to him the nature, duration, and purpose of the experiment; the method and means by which it is to be conducted; all inconveniences and hazards reasonably to be expected; and the effects upon his health or person, which may possibly come from his participation in the experiment.

The duty and responsibility for ascertaining the quality of the consent rests upon each individual who initiates, directs or engages in the experiment. It is a personal duty and responsibility which may not be delegated to another with impunity.

and Christina Melton Crain and Dr. Peter Pisters are required to know that Dr. Peter Pisters has issued his mandate to participate in his biological medical experiment and a mandate is a contract

"4. Roman & civil law. A written command given by a principal to an agent; specif., a commission or contract by which one person (the mandator) requests someone (the mandatary) to perform some service gratuitously, the commission becoming effective when the mandatary agrees. La. Civ. Code art. 2989. • In this type of contract, no liability is created until the service requested has begun. The mandatary is bound to use reasonable care in performance, while the mandator is bound to indemnify against loss incurred in performing the service. Also termed mandatum. 5. Louisiana law. A contract by which one person, the principal, confers authority on another person, the mandatary, to transact one or more affairs for the principal. La. Civ. Code arts. 2989 et seq. • The contract of mandate may be either onerous or gratuitous. It is gratuitous if the parties do not state otherwise." Black's Law Dictionary, 8th Edition, Page 3049

and Christina Melton Crain and Dr. Peter Pisters are required to know that they are claiming there is some sort of an emergency, and emergency is justification for nothing

"Emergency does not create power. Emergency does not increase granted power or remove or diminish the restrictions imposed upon power granted or reserved. The Constitution was adopted in a period of grave emergency. Its grants of power to the Federal Government and its limitations of the power of the States were determined in the light of emergency, and they are not altered by emergency." Home Building and Loan Association v Blaisdel, 290 US 398 (1934)

and Christina Melton Crain and Dr. Peter Pisters are required to know that Diane XXXXX CANNOT renounce any of the protections guaranteed under the Geneva Conventions

"Protected persons may in no circumstances renounce in part or in entirety the rights secured to them by the present Convention, and by the special agreements referred to in the foregoing Article, if such there be." Article 8, Geneva Convention Relative to the Protection of Civilians in a Time of War of 1949

and Christina Melton Crain and Dr. Peter Pisters are required to know that the recent Supreme Court ruling authorized a Stay of the Preliminary Injunctions issued by District Courts against an interim rule (Regulation) issued by the Secretary of Health and Human Services requiring healthcare workers to be vaccinated. The Supreme Courts ruling was NOT unanimous but was divided almost 50-50 and it is far from over with 4 Justices dissenting and the ruling says;

"...order granting a preliminary injunction is stayed pending disposition of the Government's appeal in the United States Court of Appeals for the Fifth Circuit and the disposition of the Government's petition for a writ of certiorari, if such writ is timely sought. Should the petition for a writ of certiorari be denied, this order shall terminate automatically. In the event the petition for a writ of certiorari is granted, the order shall terminate upon the sending down of the judgment of this Court." Biden v Missouri 595 US XXX (2022)

and Christina Melton Crain and Dr. Peter Pisters are required to know that neither the Supreme Court, not the HHS interim rule authorizes termination of employees

"The rule requires providers to offer medical and religious exemptions, and does not cover staff who telework full-time" Biden v Missouri 595 US XXXX (2022)

and Christina Melton Crain and Dr. Peter Pisters are required to know that they are under no obligation to obey these unconstitutional and illegal mandates

"...the acceptance of a license, in whatever form, will not impose upon the licensee an obligation to respect or to comply with any provisions of the statute . . . that are repugnant to the Constitution of the United States." Power Mfg. Co. v. Saunders, 274 U.S. 490

and Christina Melton Crain and Dr. Peter Pisters are required to know that by terminating Diane XXXXX, they are impairing the right of Diane XXXXX to apply to representatives of the Protecting Power for their intervention, and they are restricting opportunities available to Diane XXXXX, two more War Crimes

No contract, agreement or regulation shall impair the right of any worker, whether voluntary or not and wherever he may be, to apply to the representatives of the Protecting Power in order to request the said Power's intervention.

All measures aiming at creating unemployment or at restricting the opportunities offered to workers in an occupied territory, in order to induce them to work for the Occupying Power, are prohibited. Article 8, Geneva Convention Relative to the Protection of Civilians in a Time of War of 1949

and Christina Melton Crain and Dr. Peter Pisters are required to know that the HHS interim rule says that a facility's failure to comply may (NOT WILL – NOT WOULD) lead to monetary penalties, denial of payment for new admissions, and ultimately termination of participation in the program

"A facility's failure to comply may lead to monetary penalties, denial of payment for new admissions, and ultimately termination of participation in the programs. " Biden v Missouri, 595 US XXXX (2022)

and Christina Melton Crain and Dr. Peter Pisters are required to know that they are busy peddling fear when the God of Abraham, Isaac, and Jacob tells us to "fear not"

"...fear not..."Genesis 15:1, Genesis 21:17, Genesis 26:24, Genesis 35:17, Genesis 43:23, Genesis 46:3, Deuteronomy 1:21, Deuteronomy 20:3, Deuteronomy 31:6, Deuteronomy 31:8, Joshua 8:1, Joshua 10:25, Judges 6:10, Judges 6:23, 1 Samuel 12:20, 1 Chronicles 28:20, 2 Chronicles 20:17, Isaiah 35:4, Isaiah 41:13, Isaiah 41:14, Isaiah 43:1, Isaiah 43:5, Isaiah 44:2, Isaiah 54:4, Jeremiah 47:27, Lamentations 3:57, Daniel 10:12, Daniel 10:19, Joel 2:21, Zechariah 8:13, Matthew 1:20, Matthew 10:28, Matthew 28:5, Luke 1:13, Luke 1:30, Luke 2:10, Luke 5:10, Luke 8:50, Luke 12:7, Luke 12:32, John 12:15, Acts 27:24, Revelations 1:17,

and Christina Melton Crain and Dr. Peter Pisters are required to know that they are knowingly, intentionally peddling their fear agenda as justification to engage in forced biological medical experiments upon Diane XXXXX and other MD Anderson Cancer Center employees by threatening her with termination for failure to participate in their forced biological medical experiments, in spite of her religious beliefs, as evidenced by the email from Dr. Peter Pisters, a true copy of which is attached hereto, all of which is incorporated herein by reference in its entirety, all of which is completely without any authorization and for corporate greed, for something that may not even happen.

"Ye are of your father the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it." John 8:44

Dr. Peter Pisters and his Department of Health and Human services handlers and anyone that participates with them are Satanists and will reap a reward for satanists.

But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death. Revelations 21:8
