

Howdy!

This is not a complete list of things to do in Eugene. In full transparency, I add to this after someone asks for specific recommendations. If you have questions, or are curious about activities/things not listed below, let me know!

Wineries & vineyards: These are just a few wineries in the area — there are so many!

- [Sweet Cheeks](#): One of the most quintessential wineries in the area + a great spot for a bachelor/bachelorette-style wine tasting/hang out spot. They usually have live music lined up Labor Day weekend, so if you are interested in this, we can keep tabs on what music they have/if you need tickets. Also check out Alesong, right next to Sweet Cheeks. (~50mins from MTH)
- [Silvan Ridge Winery](#) is right next to Sweet Cheeks. It's nice, small, nothing exceptionally spectacular.
- [Antiquum Farm](#): they do farm tours & scheduled wine tastings. This would be a great option if the group is curious about their winemaking process, as it's very educational. This is not an option I would recommend if you are mostly seeking a place to drink wine, hang out, and get a little tipsy (they have said they do not like hosting your standard bachelorette groups, ha!).
- Right next to Antiquum, is [Pfeiffer Winery](#). It's a little bit more traditional and proper.
- [King Estate Winery](#) is probably the most popular/well-known winery and will be the most fancy-pants winery in the area.
- [Sarver Winery](#)
- [Territorial Vineyards](#)

Breweries in Eugene:

- [Alesong Brewery](#) is *not* in Eugene, but right next to King Estate (~50mins from MTH). It's the Antiquum Farm of beer in Eugene!
- [ColdFire](#) – they just opened up a brand new brick & mortar in Eugene and has great vibes
- [Oakshire](#)
- [Ninkasi](#)

Whiskey:

- [Speakeasy](#) "secret" bar – in the 5th Street Market area, which has *cute* shops for Eugene
- [Whiskey Lab](#) – part of the PublicHouse

Restaurant Recommendations: [here is our list of restaurants in Eugene](#) – additionally, here are few other suggestions:

- [Carlita's](#) (roof top)
- SkyBar Eugene (at Hyatt) (roof top)
- [Public House](#)

Hiking/Running (work in progress):

- Mount Pisgah
- Spencer's Butte
- Pre's Trail
- Amazon Trail + Ridgeline

Other activities:

- Check for any concerts at Matt Knight, Hult Center, The Shedd, or Cuthbert Amphitheater
- Pick flowers/make bouquets or wreaths at [Charles Little Flower Farm](#)
- [Chikara Salon](#)
- Shop/walk around [5th Street Market area](#)
- "Spa Day" at the [Pearl Salon](#)
- [Glow Yoga](#) (there are so many yoga studios in Eugene – this is just a personal favorite!)
- **Eugene Area Golf:**
 - [Laurelwood](#) (9 holes, right next to campus in Eugene) & [Oakway Golf Course](#) are the closest to Eugene
 - [L.A.B. Golf](#) – IF the group really enjoys golfing, the HQ is in Creswell and you can schedule in-person fittings

Transportation:

- Pre-schedule ubers
- Pre-schedule pick ups/drop offs with [Oregon Taxi](#) (you might be able to have flexibility in timing with them the day of if you chatted with them???)
- **Shuttles:** [My Party Bus](#) & [Sunshine Limo](#) – they are great options, especially if you are coming to and from Mount Tom; they know our driveway well
