

Making change

Answer the following questions using a money recording tool. Label your collections of coins so other people can see your ideas for each question.

1. You have a handful of coins.

Write the amount of money you have _____.

- a) Use the coins to show that amount of money.
- b) Use the coins to show that amount of money using the fewest different types of coins.
- c) Show that amount of money using as many different types of coins as you can.
- d) Show that amount of money using the fewest coins.

2. You have one loonie.

You buy an item that costs less than \$1.00.

How much did you spend? _____

Show the change you received.

3. You have another loonie.

You buy a new item that costs less than \$1.00.

How much did you spend? _____

Show the change you received.
