Power of Attorney for Presentation Materials

I agree to authorize the presentation materials of my speech/poster which was titled 2023 Symposium on Thermodynamics & Process Systems Engineering and given to National Science and Technology Council (NSTC) without a reward. The presentation materials of my speech/poster will be filed in digital archive, for promoting outstanding NSTC achievement, actively assisting in upgrading the industry technology, raising global technological level, strengthening the basis of global economic development, and encouraging more opportunities for industry-university cooperation.
