- b. Nikki-do we have GATE students? Bliss-no, but high achieving students in 6-8 go to appropriate math class, ex: high achieving 8th graders go to the high school for math class
- c. Nikki-we've lost a lot of students this year, has this changed our dashboard? Bliss-yes, we lost mostly: caucasian students and interdistrict students, families moved, families found a school that better fits their child's needs, we want to advertise our school to invite new families to attend Ballico
- d. Nikki-what would an emergency meeting look like? Bliss-we might have an emergency meeting if there is a deadline for a budget

- e. Nikki-can we change this meeting time to help get more parents involved?
Bliss-we could, but it poses other problems such as after school care

4. [Comprehensive Safety Plan](#)

- a. Bliss-there was an addition to discuss if there was an emergency school shut down like COVID
- b. Nikki-will new gates/fencing be added at Cressey? Bliss-yes, that is a part of the master plan, it is a priority
- c. Nikki-is there a place where I can see the construction plan?
Bliss-once the plan is created it will be on the Ballico-Cressey website
- d. Nikki-are we short staffed? Bliss-yes/no, it's more that the expectations are growing and no budget to pay for other positions

5. [California Dashboard](#)
