- Password field:** "Please enter your login password."
- Terms and Conditions:** A checkbox followed by "By clicking Log In or Register, you agree to our [Terms of Service and Privacy Policy](#)".
- Buttons:** "Cancel" and "Register And Log In" buttons at the bottom.

6. Enter the remaining information to complete registration.

Guide Upload Process :

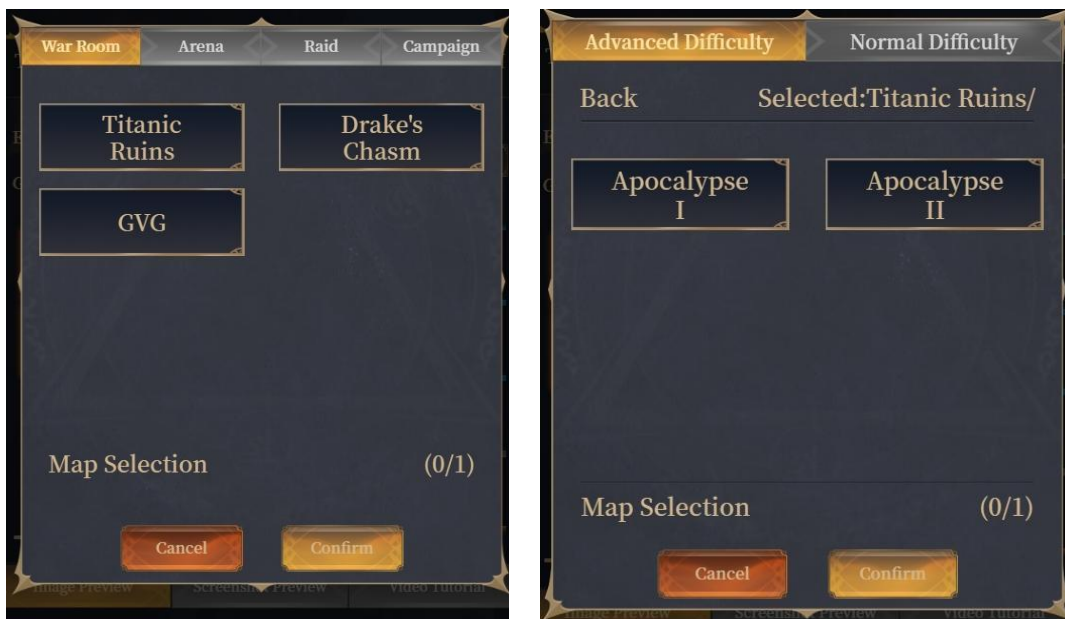

Accessing the Publishing Page :

1. Click the "+" button on the bottom right of the homepage.
2. Select "Publish Detailed Guide" to enter the content editing interface.

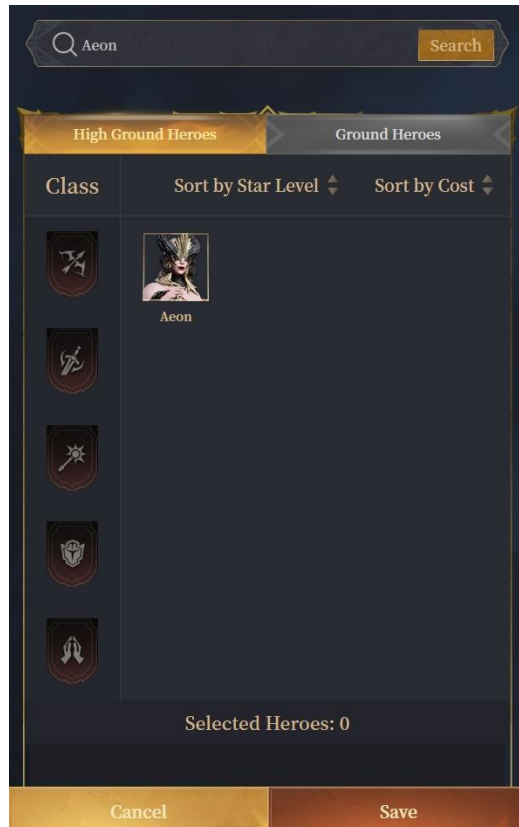

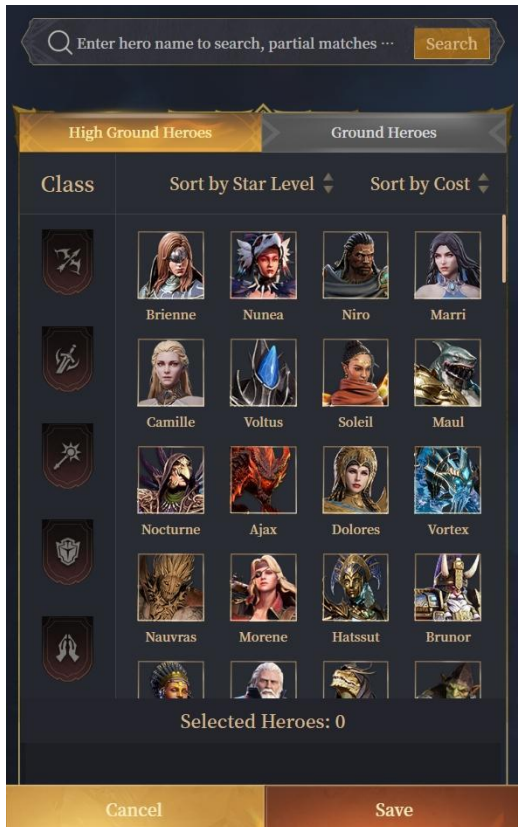

Map Selection (Required)

- Find the stage category from the four sections: "War Room", "Arena", "Raid", and "Campaign".
- Then select the specific stage.

Select Hero(Required)

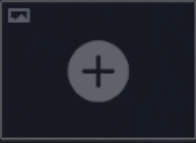

- Click on hero portraits to add corresponding heroes to your lineup.
- Alternatively, use the search bar at the top to find a specific hero directly.
- Note 1: Some hero portraits may display skin artwork.
- Note 2: A maximum of 15 heroes can be selected per stage.

Main Formation Screenshots & Clear Video (Choose One):

Main Formation Screenshots:

- Upload images from your local device. Maximum 10 images per stage.
- Content Requirement: Images should focus on showcasing hero deployment timing, key operation points, or essential battle scenes.
- Supporting Description: Each screenshot must include a text description (e.g., indicating the enemy wave number, deployment sequence, key skill activation timing, etc.).

Main Formation Screenshot		☐
		0 / 10
Upload in-game screenshot of this team setup.		

Clear Video:

Enter the YouTube URL of your gameplay video.

Clear Video	Enter the YouTube link of your gameplay video for this run.	☐
		0 / 1

Lineup Title (Required):

Strategy Title	Fill in the title of this team setup to attract more users to use/watch your guide.	
		0 / 15

Proceeding to the Core Guide Text Page:

Highly recommended, but not required.		Optional
Equipment Page Screenshot		0 / 15
Artifact Page Screenshot		0 / 15
Core Strategy	Describe your key strategy—help other players understand how your lineup works! 0 / 500	
One-Click Upload And Analyze		

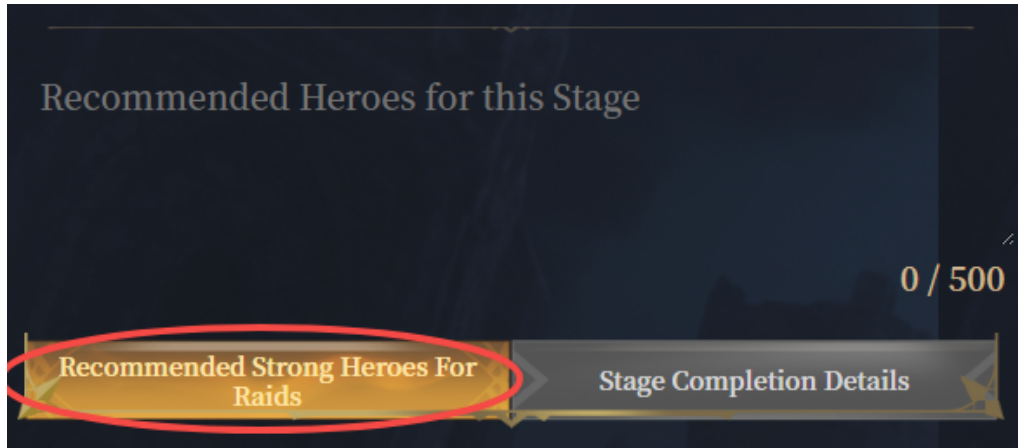

Hero Position Adjustment: :

- Click on a hero, then select another hero or an empty spot to swap positions.
- Orange tiles indicate Elevated Tile. Blue tiles indicate Ground Tile.

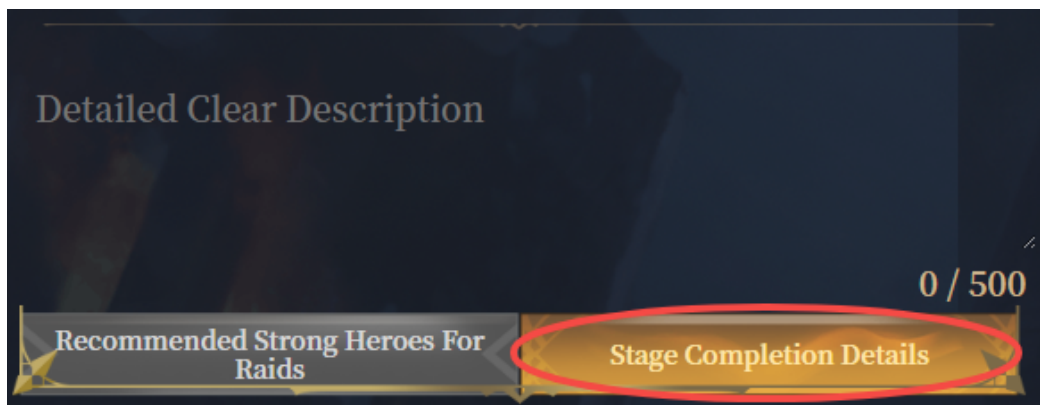

Optimal Hero Lineup:

- Hero Recommendations (Up to 15 heroes).
- For each hero, provide a "Reason for Recommendation". Maximum 500 characters per reason.

Detailed Clear Description(Optional):

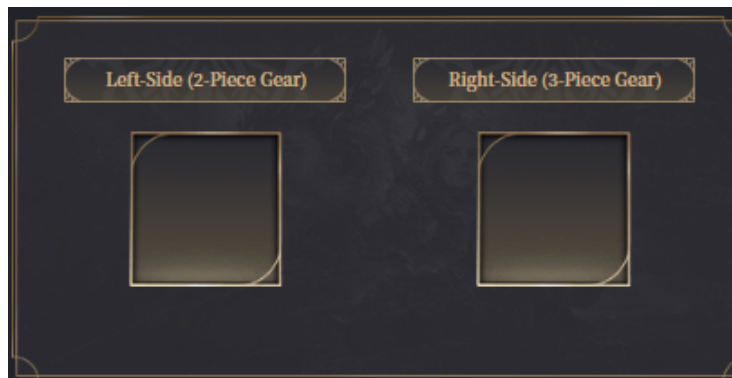

- Provide a detailed description of the clearing process. Maximum 500 characters.

Hero Details (Optional)

Equipment:

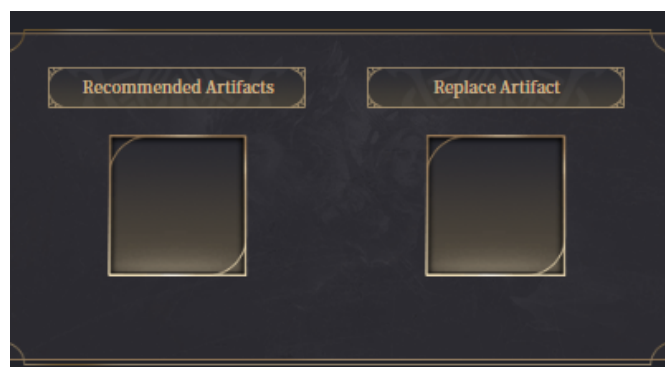

- Configure one set of Left-Side and Right-Side equipment for each hero.

The equipment configuration interface consists of a dark blue rectangular panel with a gold border. At the top, there are two gold-bordered labels: "Left-Side (2-Piece Gear)" on the left and "Right-Side (3-Piece Gear)" on the right. Below each label is a large, empty square placeholder with a gold border, intended for displaying gear icons.

Artifacts:

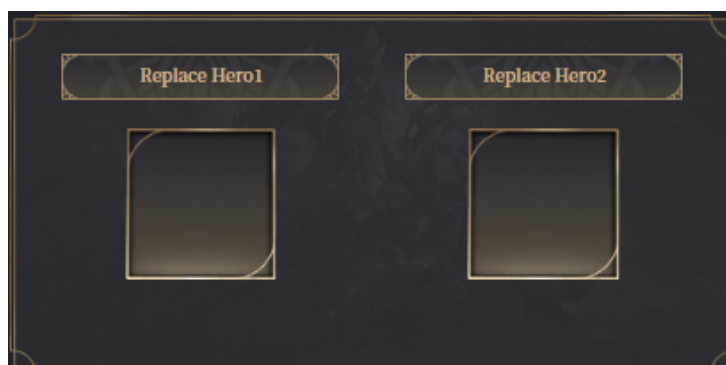

- Recommend one primary Artifact, and suggest one alternative replacement Artifact.

The artifact configuration interface consists of a dark blue rectangular panel with a gold border. At the top, there are two gold-bordered labels: "Recommended Artifacts" on the left and "Replace Artifact" on the right. Below each label is a large, empty square placeholder with a gold border, intended for displaying artifact icons.

Hero Substitutions:

- For each hero in the lineup, specify up to two alternative replacement heroes.

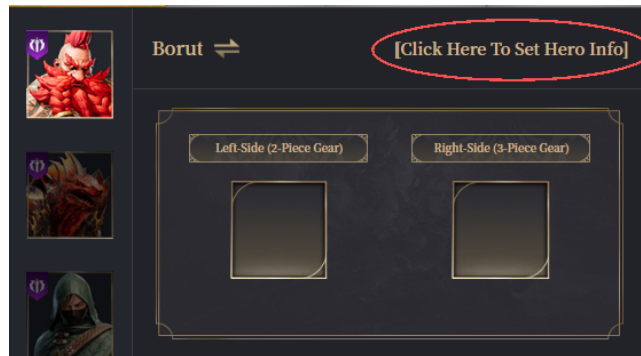

The hero substitution interface consists of a dark blue rectangular panel with a gold border. At the top, there are two gold-bordered labels: "Replace Hero1" on the left and "Replace Hero2" on the right. Below each label is a large, empty square placeholder with a gold border, intended for displaying hero icons.

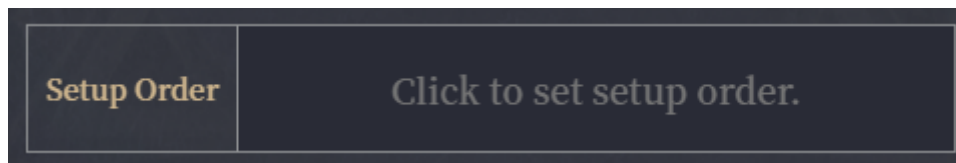

Quick Set Hero Info :

Facing Direction:

- Set the facing direction for each hero (Up, Down, Left, Right).

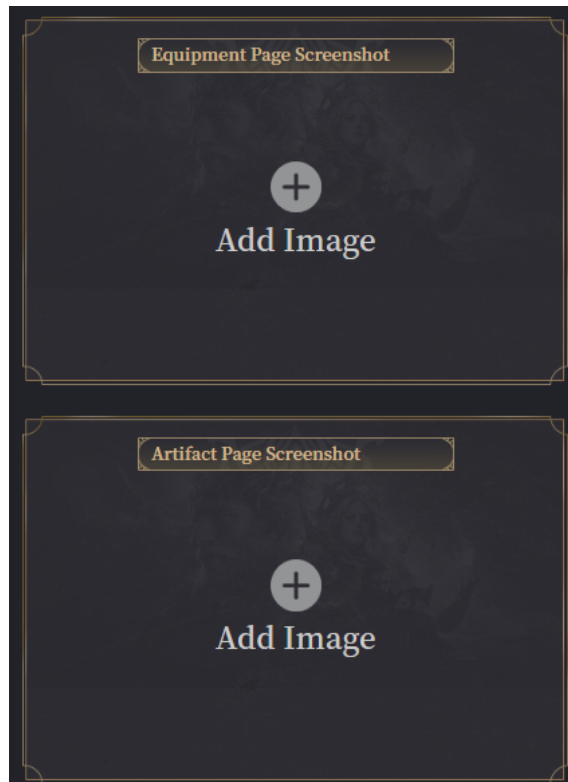

Setup Order: Assign a deployment order number from 1 to 15 for all 15 heroes.

Screenshot Preview:

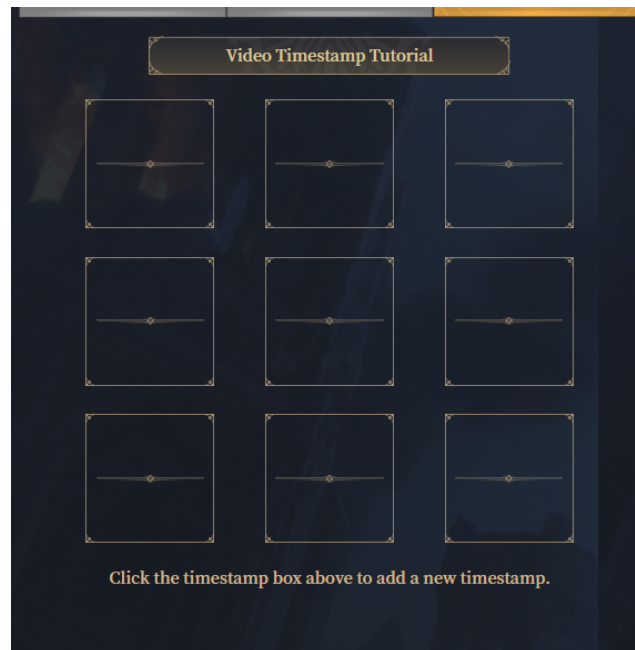

Equipment Page Screenshot: Provide 1 screenshot per hero for the equipment page, no more than 15 screenshots [maximum].

Artifact Page Screenshot: Provide 1 screenshot per hero for the artifact page, no more than 15 screenshots [maximum].

Video Timestamp Tutorial (Optional) :

Click the timestamp box to add timestamps, no more than 9 timestamps [maximum].

Timestamp Title	Examples: team screenshots, deployment timing, gear/artifact images, key notes, etc. Example: Formation screenshot/Setup timing/Equipment screenshot/Artifact screenshot/Key info/Other info	0/6
Timestamp	Specific time range for the timestamp. Example: 01:06~03:35, etc.	0/20

Timestamp Title: No more than 6 characters [maximum].

Timestamp: No more than 6 characters [maximum].

Other information

Strategy Title: No more than 15 characters [maximum].

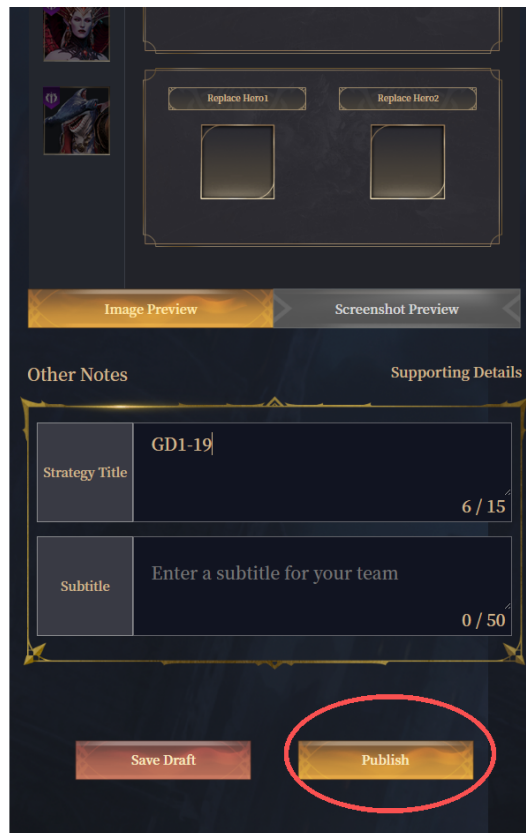

Strategy Title	Please enter a lineup title. 0 / 15
----------------	--

Subtitle: No more than 50 characters [maximum].

Subtitle	Enter a subtitle for your team 0 / 50
----------	--

Publish Content:

Click here to publish content. Once approved, your strategy guide will be displayed on the guide site.

The image shows a user interface for publishing a strategy guide. At the top, there are two hero icons on the left and a central area with two buttons labeled "Replace Hero1" and "Replace Hero2", each with a placeholder image box below it. Below this is a navigation bar with "Image Preview" (highlighted in orange) and "Screenshot Preview" (greyed out). The main section is titled "Other Notes" and "Supporting Details". It contains two text input fields: "Strategy Title" with the text "GD1-19" and a character count "6 / 15", and "Subtitle" with the placeholder text "Enter a subtitle for your team" and a character count "0 / 50". At the bottom, there are two buttons: "Save Draft" (orange) and "Publish" (yellow), with the "Publish" button circled in red.

Other Notes		Supporting Details
