

10:06:02 From Erenay Shenouda-Tortian (PDSB) to Everyone:

Hello Everyone, Does anyone have the issue of OUAC upload dates happening before full disclosure dates for next year?

10:19:03 From Martha Biagi (DPCDSB) to Everyone:

So great, aligned transmission dates always help! Thank you

10:19:53 From MJ Snoeks LDCSB to Everyone:

Guidance in our board (LDCSB) were concerned about what these fees are being used for. Is this information transparent? Are we able to have this information? We have heard that there will be less of an in person interaction with students at the schools, no view books, less "SWAG", less interaction but increased fees... so again just wondering why the increase. Thank you :)

10:20:31 From MJ Snoeks LDCSB to Everyone:

Thank you!

10:21:18 From Ministry of Education to Everyone:

The work that OGLA has done to foster open communication with OCAS and OUAC is to be commended. This group is a highly valued and influential group and it's wonderful to see how your voices have been heard and honoured

10:22:09 From DSBN to Everyone:

I imagine with the move to new SIS systems (i.e. Aspen) there has been a need for more IT support.

10:22:31 From Germaine Falzone YCDSB to Everyone:

I'm going to provide this to Guidance to put all OUAC and OCAS dates together.

10:35:41 From Tiffany Roberts to Everyone:

This is great Claudine - especially if students are taking a coop.

10:38:45 From Melissa Baker-Cox LDSB to Everyone:

Does anyone have an IDC course for student trustees leadership ?

10:43:59 From Sarah Abrams to Everyone:

10:45:05 From Germaine Falzone YCDSB to Everyone:

So Kelly, does that mean students on school councils can receive volunteer hours?

10:45:48 From Germaine Falzone YCDSB to Everyone:

Also, if a student is representing a school for a team sport and had to try out do they get volunteer hours?

10:47:03 From Germaine Falzone YCDSB to Everyone:

I find these meetings invaluable, but sometimes I have conflicts. I find it hard to find out all the details about what I might have missed. Visuals/recordings would be so helpful. Is this a possibility?

11:03:13 From GECDSB, Natalie Middleton Bondy to Everyone:

a whole group

11:03:20 From Carole Leroux to Everyone:
I am indifferent with the 5 or 6 meetings, but am interested in a recorded option for
conflicts. I am wondering if the responses to the member questions will be recorded in the
meeting notes? I missed a couple of questions and responses while trying to take notes. The
10-12 time frame is best for us.

11:03:25 From Judy Carley to Everyone:

11:03:30 From GECDSB, Natalie Middleton Bondy to Everyone:

We hired two re-engagement teachers for semester 2 this year. They will continue into next year.

11:34:48 From Lisa Galay-HDSB to Everyone:

We have a variety of programs through our Adult Education Centre and Con Ed departments....and our re-engagement counsellor. School Programs in our board also offers a variety of programs

11:36:42 From Tiffany Roberts to Everyone:

We have a reengagement teacher who makes calls and offers options. We have a high school within the college system. We have a healthy tutoring program 7-12 using teacher candidates and new teachers who do one-on-one mentoring. We have attendance counsellors but I do not know the extent to which they are doing the engagement work.
