More About This Project:

February 9th is my mom, Diane Lassonde’s, birthday. Diane came up with the idea for the FearLESS Living Fund when she was diagnosed with Stage 4 Lung Cancer in December 2021. Since then, each birthday we celebrate with her is precious and this year, with your help, I want to make her birthday month even MORE special by raising funds for this charity she’s created.

[The FearLESS Living Fund](#) picks up where the [Blind Center of Nevada's](#) services leave off, helping their outstanding clients to live more fearlessly in pursuit of their dream. In 2023, we gave out over \$9,000 in scholarships. You can watch a [video of the event here](#). With your help, we can raise even more.
