Hobbies and interests: In my free time I enjoy spending time with friends and family. My favorite thing to do is fish with my dad on the beautiful Lake Huron. I am an avid reader and artist. I also try to travel as much as I can, and I hope to see the world someday.

Postgraduate plans: I plan to graduate from the Early College program, then transfer to the University of Michigan to obtain a degree in finance.

An adult that has impacted my life: My mom has shaped me into the person that I am today. She has never failed to amaze me and I hope that I can be half the woman that she is someday. She balances countless responsibilities while keeping our family together. Through it all she finds a way to make everyone around her feel special. My mom is my best friend and I could not be more grateful to have her as my role model.
