Q1 Week 2: September 5, 2022

***Be The Solution***

### **No School on Monday, September 5th - Labor Day**

September 7 - September 16 NWEA Testing Window

Dear Forrestal Families,

We had a wonderful first week of school last week and we sincerely hope you did too! Students were eager to learn school routines and to become successful members of the Forrestal learning community. Your scholar learned about how to build community, to “Be the Solution” and earned “I’m So Fly” tickets for embodying “The Forrestal Pledge”. We also previewed important safety drills; this week we’ll begin to practice those drills. In math all classrooms started our “Number Corner” daily schedule, as well as set up routines for learning. This week we will continue to introduce academic expectations, as well as begin to assess student’s current levels in reading and math.

Thank you for sending your child with a backpack (scholars always have their backpacks!) and a filled water bottle each day. Additionally, here are the links to this year’s D187 Student Handbooks:

English  
Spanish

As always, please reach out to us via [ckranz@d187.org](mailto:ckranz@d187.org) or [nkhoshaba@d187.org](mailto:nkhoshaba@d187.org) (Spanish speaking) or by calling Forrestal at 847-689-6310 for any assistance.

Respectfully,

Cara Kranz, Principal  
Nataly Khoshaba, Assistant Principal

School begins daily at 8:00am.

**Tardy logging begins this week. Tardies are disruptive and interrupt teaching & learning.**

Students may arrive as early as 7:30am for breakfast.

2:45pm dismissal on Monday, Tuesday, Thursday, and Friday

*1:45pm dismissal each Wednesday*

Please remember if you change the dismissal plan for your child, you must do so by 2:00pm on M, T, Th & F and 1:00pm on Wednesday to give us enough time to effectively communicate the change to the classroom teacher.
