

LL Bean Ain't So Green

LL Bean ain't so green;
let me tell you what I mean:
It's their Citibank credit card–
Cut it up–it won't be hard. (repeat)

More drilling and more fracking,
that's what your Bean Bucks buy;
to be a REAL 'outsider',
tell Citibank good-bye.

And while you are at it,
tell everyone you know
to write a note to Stephen Smith,
LL Bean Ceo–and tell him:

LL Bean ain't so green;
let me tell you what I mean:
it's their Citibank credit card–
Cut it up–it won't be hard.
Cut it up, it won't be hard!
