

Biol 105 Lab

Fall 2022: Prairie Protector Worksheet – Summary Paragraphs will be typed and uploaded to your lab Canvas page.

You will write **three** short paragraphs (3-5 complete sentences) for each of the Prairie Protector activities you completed during lab. You will write a separate summary paragraph for each activity, i.e., Escalation, Four Corners, and Your Choice (Dense Woods, Drought, or Zen). **Each paragraph should include answers/explanation to the following questions:**

Describe your land management strategy in a short paragraph (3-5 sentences).

- In your answer, discuss your perception of how well your strategy worked:
 - What worked well? What didn't work well?
 - What evidence do you have that your strategy was successful or not?
 - If you were to play again, how might you adjust your strategy?
- In your answer, discuss how your values, beliefs, and assumptions influenced your gameplay decisions.
 - Did you rely on a single treatment tool or use a diversity of tools? Why?
 - Did you treat mature trees first or focus on seeds? Why?
