

Hello! Thank you for considering me in drawing your commission!

Commission Form Here:

<https://forms.gle/2PSxHy3nmL7mzFfV7>

Please read through Carefully!

All commissions will be done through Paypal Invoice - no friends or family. Buyer cannot send payment through Paypal ahead of the invoice. Invoices help me keep track of payments for tax purposes and my own records as well as give protection to you as buyer

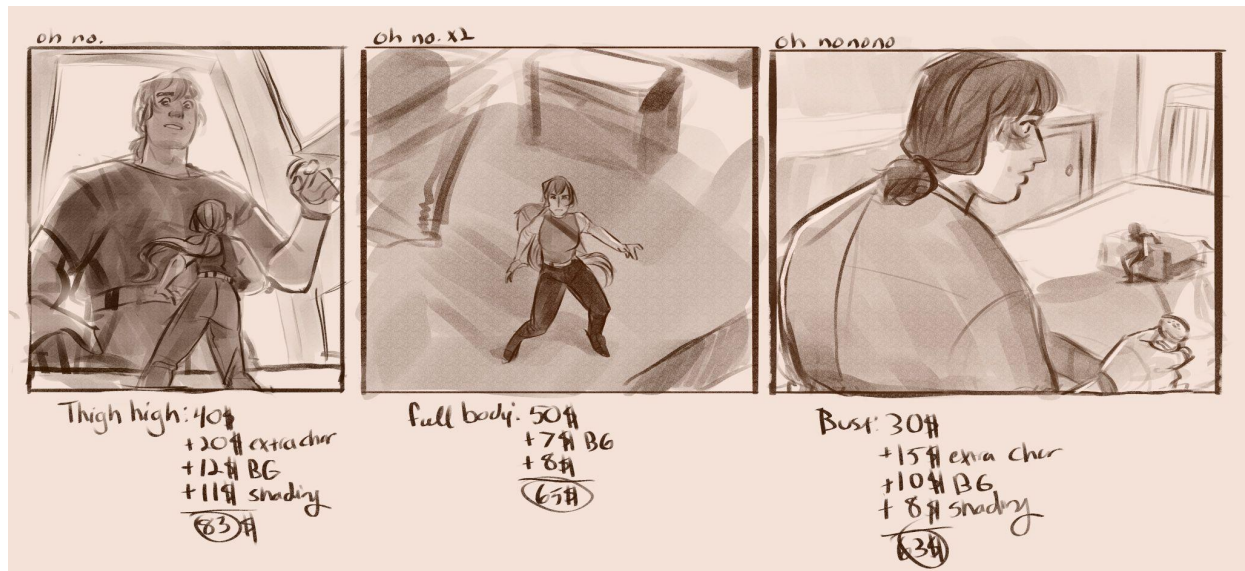

My google form will act as an inquiry and hold your place. Please have references ready when I email or DM you.

If you have questions, You can either email me at prfaelady@gmail.com, or DM me on Kofi or Instagram :)

Please let me know ahead of time if you wish this to be a private commission/not to be posted. I am absolutely okay with keeping anonymity :)

While I can work with a paragraph describing the scene/Character, I much prefer visual references. Pinterest, a Toyhouse, even just a bunch of images off google help as a starting off point. Doesn't have to be overly fancy - just a way to help visualize your OCs. Also in the inquiry email, please include your budget, as well as if you want color, extra characters, BG, ect... I like to give multiple composition options based around your budget.

Once I have email/DMed me and given me your prompt/references, I will send over 2-3 thumbnail compositions with pricing included for you to decide from. Below is a past example (level of completeness will vary depending how solid the prompt is for me to visualize, may go through one or 2 rounds of this)

Never be afraid to tell me if the prompts just aren't hitting for you! We can either go off one composition and make adjustments or if you need to see others then that's fine too :)

After we've agreed on a composition, I'll send over the invoice and I'll get started on your commission! I'll keep you updated through your preferred communication but also don't be afraid to reach out.

I do work another job 50 hours a week, so most of my commission working time is nights and weekends. I may be a bit slow at times due to my full time working schedule at my main job.

There is a lot I am willing to draw however I still have my own rules. I have the right to refuse any commission I am not comfortable with. If you are unsure whether or not I will accept your commission, feel free to email me at prfaelady@gmail.com. Or, you can shoot me a DM on instagram or Kofi. We can discuss it. I am also open to doing private/anonymous commissions. Please let me know if you are wanting this to be private.

Things I will absolutely not draw:

- Underage
- Noncon/dubcon
- Gore/Violence in a sexual or fetish scenario. I will however do fight scenes, monsters, horror or other stuff. Please message me to discuss.
