

Hi KTCC attendees!

Thank you for joining the conversation! As we discussed, we're in a climate emergency and there is a vital need to address the many interconnected crises we face. Talking about it with each other was a great first step and I hope we can move into action together.

If you could take a moment to fill in my [Google Survey Form], that'd be great.

For those of you who want to stay in touch or attend a second conversation,

There is also a [KTCC Facebook](#) page and group, so that you can join the KTCC community.

Again, it was a pleasure to talk with you! Let's keep the momentum going by taking collective action together.

Sincerely,
