

## Oct 1st, 2024 - Emergency/Side Meeting

7:00 pm at the New Prague Library

In attendance: Bev B, Abbey M, Jessica H, Erin K, Brian P, Scott M, Patty G.

Absent: none

### 1.) Registration

Sports Engine cannot do a code for individual registration so we can't stagger registration

- a.) Could save 24 spots for the top archers and then go by first come/serve after that
- b.) Could keep it the same

Decided to go with first come/serve for registration this season

- a.) emphasize parents only for parent meeting
- b.) We can still do coaches/board members register first to get kinks out

Usually the waitlist comes into play for Thursdays

In the past we have closed registration after about 2 weeks because of getting shirts in time for pictures

- a.) if someone needs registration re-opened they have to pay a fee and they had to pay for shirt separate

Maybe we should be taking attendance at the first practices so that people on waiting list can join if others aren't showing up

Wed. Oct. 23rd at 6:00 am registration will open and close on Fri. Nov. 8th at 10:00 pm  
-any person that wants registration opened afterwards they are charged a fee to cover the Sports Engine cost

### 2.) Nationals

Fundraising

- a.) need someone to lead it (talking to businesses for donations, etc.)
- b.) in addition to talking to business

Papa Murphy's - 2 options

Pick a day and 20% of sales go toward club

Punch cards - purchase for \$1 and sell for whatever profit

Kwik Trip Car Wash cards

5 ultimate car washes for \$20 and could sell for \$30

Deposit form - Bev made a form to fill out

- put \$100 as the deposit and due Jan. 5th
- parent meeting Dec. 8th at practice

### 3.) Parent Meeting on Oct. 22nd

We already put a post on our Facebook group

Bev still needs to get into email to send an email out - this is completed now

Scott will post on NP Happenings

Add info about the family cap to the slides

Perhaps we should add a slide asking for someone to lead the fundraising side (talking to businesses, etc) since it really needs to get up and running ASAP

4.) Background Checks

\$16 per background or \$23 if recurring

a.) Around 20 coaches

Approved to go with \$23 recurring each year and mandatory for coaches/board members and club will pay for background checks
