

PuppiPawz TOS (terms of service/purchase)

By commissioning me, adopting a character or getting any of my services you **automatically agree to these terms**, please read carefully before purchasing my work as it is your responsibility to read these!

GENERAL

-By commissioning me, you are purchasing my service as an artist only. I retain all copyrights over my work, which include but are not limited to the right to redistribute, reproduce, or use the image as a sample for sales/self-promotion, unless otherwise agreed upon.

-My art style evolves every day, if you'd like a specific one of my styles please mention this! If you'd like art in a certain style such as a game, anime etc. please ask and we will discuss the price and my capabilities. I will not imitate a specific artist's style.

-Please provide a clear, unshaded reference for best results.

-Blacklisted people cannot commission. Giving my art/work/services to blacklisted people is not allowed.

-if we are doing a trade where I have started mine and you can't or won't finish yours, I must be compensated for my work according to my commission prices. By trading with me you agree to this term.

-I can/will draw humanoids, furies, ferals and ponies, age regression content (SFW!), g0re, suggestive, nsfw, fanart, ocs, feminine characters, femboys, dark media characters if I'm comfortable with the media...

-I can't/won't draw illegal content, scene backgrounds, offensive or hateful content, mecha, lizard/snake people etc., extremely complicated designs, extremely hard poses or props, blacklisted people...

->If you want me to draw something I normally can't (not won't), we can still discuss it!

PAYMENTS

-Commission payment through Paypal, VGEN or Kofi in euros € (, the currency can be automatically converted using these platforms).

-I will only start working when I've received the full payment (payment beforehand).

-Payment plans are ok! You will receive the final product after full payment has been received.

-I can reject for any reason nor do I owe you an explanation.

-I may accept trades, if physical please send the item and have proof of doing so. Once proof is sent I will start.

-not allowed to be used or sold as NFTs, used for ai or anything similar.

-Objects/props, nsfw and g0re (usually ~50 %) may cost extra depending on the severity. Agere (sfw) props (ex. pacis and nappies) are free.

-Customs are double the price or more depending on complexity. if you don't have a drawing of your character yet but have a description written down IT STILL COUNTS AS A CUSTOM. (customs close occasionally so make sure to ask if they are open!)

-Prices may be altered at any time. if prices are changed during an active commission, your current order cost will not be affected.

-Extra characters are double the price.

REVISIONS

-Please ask if you require updates, or if you have any further questions/requirements. I tend to work quickly.

-Unlimited revisions in the sketch phase (remember to ask if you'd like updates such as sketches!), no grave revisions after unless compensated.

-For skeb/surprise me commissions there are no revisions available.

DEADLINES AND DELIVERY

-Art takes time, don't rush me please! Spamming/pressuring/threatening or similar will cause your commission to be lowered in the queue. Delivery can go from a few hours to a few months (ex. Vtuber).

-Deadlines may be discussed and will include a rush fee.

-Please check my Trello to see my queue and possible disturbances. Trello gets updated at set times, and therefore may be slightly outdated. You can also dm me!

USE

-I have the right to post the commission, your username will be kept anonymous if requested. I am happy to delay posting the work upon request (ex. for a debut).

-You have the option to pay a privacy fee, this means I will not post the work on social media.

-Commercial use such as banner use, posting, featuring in videos, icons, using as self promo etc is FREE! Commercial use such as merch printing/ mass production has to be discussed with me. You may use it for any personal use that you please.

-Credit me and don't claim it as your own. Please do not trace or copy the art without permission.

-Do not use the art for illegal, hateful or offensive content.

-You may resell my designs or models for the same amount you paid, give it away, or trade it ONLY if the new owner also agrees to this TOS. By owning my work, they are also bound by these terms and have the risk of the character being revoked if broken. This is your responsibility and you will be held accountable if they lose the character while being unaware of the TOS.

REFUNDS

-NO refund once the art process has started.

-Refunds before I have started are always ok, please ask my progress for this as my Trello only gets updated every once in a while!

-if i am unable to finish for any reason unrelated to breaking the TOS, i will refund the full amount.

-Your ownership of the character/design/art will be revoked without refund if you break TOS, this means you no longer own them and are not allowed to continue using them. Please respect the TOS agreement to avoid this.

> if you have a valid reason that I agree with, or you got permission from me beforehand, this rule may be temporarily discarded!

COMMUNICATION

Please be direct and patient with me, I have autism. Thank you!

My disabilities and illnesses may cause disturbances in replying speed. My apologies for this!

Please respond within 24 hours during the commission process, if you do not answer I will continue with the information I have (ex. assuming you agree with a proposal/sketch/final upload...) unless you mention your absence beforehand.
