Re: Health and Safety Related to COVID-19

Dear Parent/Guardian:

This letter is to notify you that your child may have had a low-risk contact with someone who tested positive for COVID-19. According to the Mount Olive Health Department, **you do not need to take any additional precautions at this time.**

If you believe your child may have COVID-19 or becomes symptomatic, please contact his or her primary care doctor for directions. Most people who are mildly or moderately ill with COVID-19 will be able to safely recover at home.

Cleaning and disinfecting of all exposed areas have been completed. The school is also taking precautions to prevent the introduction and spread of viruses and other germs and is cleaning frequently touched surfaces daily. The status of this situation is fluid, and we are monitoring it closely.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant but sensible in your approach to dealing with this health concern. Should you have any questions about this situation, please feel free to contact our school nurse, Mrs. Domenick at 973-927-2201. Below are some resources that might be helpful.
