Types of Data Collected

While using our Service, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you ("Personal Data"). Personally identifiable information may include, but is not limited to:

Usage Data

When you access the Service by or through a mobile device, we may collect certain information automatically, including, but not limited to, the type of mobile device you use,

your mobile device unique ID and other diagnostic data ("Usage Data").

Methods of collection

Collection by entry or agreement on the company android application

Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

We want to inform users of this Service that these third parties have access to your Personal Information. The reason is to perform the tasks assigned to them on our behalf. However, they are obligated not to disclose or use the information for any other purpose.

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and we cannot guarantee its absolute security.

Links to Other Sites

This Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by us. Therefore, we strongly advise you to review the Privacy Policy of these websites. We have no control over and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

User's right

The users or their legal representatives, as main agents of the information, may exercise the following rights regarding the collection, use and sharing of personal information by the Company:

The right to access to personal information;

The users or their legal representatives may access the information and check the records of the collection, use and sharing of the information under the applicable law.

The right to rectification;

- The users or their legal representatives may request to correct inaccurate or incomplete information.

The right to erasure;

- The users or their legal representatives may request the deletion of the information after the achievement of their purpose and the withdrawal of their consent.
- However, Company will not be able to erase some personal data due to following reasons in accordance with the article 17 of the EU GDPR(General Data Protection Regulation).
 - The processing of your personal data is necessary for compliance with a legal obligation.
 - The processing of your personal data is necessary for the establishment, exercise or defense of legal claims.

The right to restriction of processing;

- The users or their legal representatives may make temporary suspension of treatment of personal information in case of the disputes over the accuracy of information and the legality of information treatment, or if necessary to retain the information.

The right to data portability

- The users or their legal representatives may request to provide or transfer the information.

The right to object

- The users or their legal representatives may suspend the treatment of personal information if the information is used for the purpose of direct marketing, reasonable interests, the exercise of official duties and authority, and research and statistics.

The right to automated individual decision-making, including profiling

- The users or their legal representatives may request to cease the automated treatment of personal information, including profiling, which has critical impact or cause legal effect on them.

Matters concerning the installation / operation and rejection of automatic collection of personal information

"Company" may install and operate a device that automatically collects personal information such as "cookies" that store and find your information from time to time. A cookie is a small text file that is sent to your browser by the server used to run the "company" site and is stored on your computer's hard disk. "Company" uses cookies, etc. for the following purposes:

Purpose of use, such as cookies, to analyze the frequency of visitors and non-members 'visit times, to identify customers' preferences and interests, and to provide targeted marketing and personalized services through traceability, is located.

You have the option of installing cookies. As a result, you can allow all cookies by setting options in your web browser, check each time a cookie is saved, or refuse to save all cookies.

You can refuse to set cookies by selecting the option of your web browser so that you can accept all cookies, check each time you save cookies, or refuse to save all cookies.

Period of retention, use and destruction of personal information

We destroy the personal information of our users without delay when the purposes of our collection or use of the personal information are accomplished. However, the personal information is retained for a given period as outlined below as required for verifying the related rights and duties concerning transactions based on the provisions of the Commercial Act or other relevant statutes: three years

The personal information is destroyed as outlined below:

Personal information printed on paper is destroyed by way of shredding or incineration.
