Raider student volunteers. The window to log your Innerview student volunteer hours is closing for this school year. The last day to log service-learning activity is April 15, so make good use of this time to log your final volunteer hours or catch up on any reporting. We currently have 31 national award recipients and have more that are close, so get those hours logged and remember Wednesday, April 15, is the deadline.

April is **National School Library Month**, and the Stevens Library is celebrating with a prize basket drawing. To enter the drawing, you must check out one book each week throughout April to earn up to four entries. You can also earn an additional entry by returning or renewing any overdue books this month. At the end of the month, a lucky winner will receive a prize basket with items donated by Mitzi's Books, Monarch Books & Boutique, and the Rapid City Public Library! So, stop by the library, check out a book, and take care of any overdue items for your chance to win. Happy reading!
