- ◆ Publisher/Producer/Creator
 - Learning Touch LLC
- ◆ Target Audience
 - 4+
- ◆ Kind of materials
 - Materials to help learn how to spell
- ◆ Hardware/Software
 - I Phone/ I Pad. It is discovery learning because students use prior knowledge to build and create words.
- ◆ Curriculum
 - It can be used in classrooms to help spell simple words.
- ◆ Cost/Licensure/Additional Purchases
 - The app is free and it is single use licensure.
- ◆ App Content
 - The app starts with a library of letters that are included in the word you are trying to spell. It shows a picture of the item and you have to drag the letters in order to spell the word. When you touch the letter, it says the letter. After the word is spelled correctly, the app spells the word out and repeats the word.
- ◆ Impression
 - The app was very easy to navigate and had no issues. It seems to be very simple and straight to the point. It would be very good for preschool or early kindergarten.

- ◆ Does the app pass review?
 - Yes
- ◆ Does the app pass evaluation?
 - Yes
