

The third grade team is looking for a few volunteers to help us host a chip sale to the public on Election Day, to help fund our trip to Lansing. We already have the chips, we just need volunteers to sell them. If you are available for an hour or two, to help us raise funds by selling chips to the voting public, we would all certainly appreciate it very much! Please sign up by typing in your name on the document below if you are available to help.
