Subject	Provider ROI

Hello PROVIDER NAME,

My name is ** and I am a dietitian with Berry Street Nutrition.

I had the pleasure of meeting with your client (first name and last name initial) for our initial nutrition counseling session on DATE.

I have attached a ROI for your records.

Thank you for trusting us with your client's treatment. I'd love to touch base to discuss care.

I look forward to collaborating with you!

Thank you,
