BIKE TEMPLE LAUNCHES AT ABUNDANT GRACE

Half Moon Bay, January, 2022. On January 9th, Abundant Grace Coastsider Worker will partner with Coastsider Mountain Bikers to launch the Bike Temple program. This program, which is scheduled to take place the first Sunday of each month, provides support for community members by connecting those who have mechanic skills or bicycles for donation with those in need of operable bicycles.

Many in our Coastsider community rely on bicycle transportation for access to a job or necessary services, and such access provides the opportunity to be self-reliant. Working through Abundant Grace Coastsider Worker, local bike mechanics and enthusiasts have created the Bike Temple, a program designed to support those who rely on bikes as their main form of transportation.

The first Bike Temple took place on 12/5/21 and was supported by members of the Coastsider Mountain Bikers. Tony Pereira, Marin Holt, and Amy Henry were volunteer adult mechanics, while Mac Henry and Aiden DesTombe, Cunha Middle School students who are learning bike mechanic skills, also volunteered their time. During that time four bikes were refurbished for members of our community. In the future there will also be volunteer student mechanics from Half Moon Bay High School.

Bike Temple is seeking volunteer mechanics and bike donations for those in need. We can refurbish bikes that might be in need of a little love but are still rideable. Please contact Marin Holt (holtmarin@gmail.com) or the Coastsider Mountain Bikers (coastsidemtb@gmail.com) if you would like to sign up as a volunteer mechanic or if you have a bike to donate.
