

## PreK Wish List

The Cumberland County Pre-Kindergarten program funds cover all equipment and instructional materials provided in the classroom for your child. The funds do not cover “household” items also needed to help in the classroom, therefore we have a wish list for those “helpful household” items. Please do not feel obligated to purchase all (or any) of these items. One or two will be appreciated. (Any brand is fine!)

\*Please do not buy any school supplies as these are provided.
