

GRADY COUNTY SCHOOLS

Dr. Jordan Williams,
*Superintendent of
Schools*

985 1st Street NW
Cairo, Georgia 39828
Phone: (229) 377-3701
Fax: (229) 377-3437

Dear Grady County Families,

Nothing matters more to me than the safety of our students and staff. Before a child can learn, they have to feel safe. That belief should drive every decision we make as a school system, and it is why school safety sits at the top of my priority list.

Safety is not something we ever finish working on. It is not a box to check once a year. It is a constant, ongoing process of looking at what we are doing, listening to the people closest to our schools, and making improvements where they are needed. That is exactly what we are doing right now.

I am asking every family, employee, and community member connected to Grady County Schools to take a few minutes and tell us how you feel about safety on our campuses. This survey is anonymous. Your name will not be attached to your answers. I want your honest thoughts, whether that means telling me what is working or what concerns you.

Please take the time to complete it here:
<https://forms.gle/PHRNFX95wVnipVou6>

We understand how busy this time of year is for our families and staff, but we kindly ask that you take a moment to complete this assessment. We will use what you tell us to guide how we allocate resources, plan improvements, and strengthen our safety practices district wide. Once we have compiled the results, we will put together a report so our community can see what we heard and what we are doing about it. Our students deserve to walk into a school where they feel secure. Our staff deserve the same. Please help me get this right by sharing your voice.

Thank you for trusting us with your children. We do not take that trust lightly.

Sincerely,

Jordan J. Williams, Ed.D.

Superintendent of Grady County Schools
