

*The workshop of Community Service Program (PKM) goals was to assist learners to enhance their subject-verb agreement accuracy in essay writing. It is conducted on July 24, 2025 to the thirty vocational school learners of SMKN 3, located on S. Parman street, Pontianak. This workshop embraced the concepts of subject-verb agreement in sentences, the introducing of QuillBot Grammar Checker, and the practicing of the using of application in sentence writing of an essay in writing with teacher's guidance. The subject-verb agreement accuracy in an essay is essential for academic writing and the knowledge delivered to readers, otherwise the lack understanding of this may distrub or hamper the knowledge informed. The evaluation indicated that the learners showed considerable interest in the workshop, and it was reflected in the satisfied result of SVA accuracy in their essay writing of QuillBot Grammar checker applied. The QuillBot Grammar Checker was introduced to cope with learners obstacles of SVA accuracy in essay writing. Then, it was supposed the workshop conducted may contribute to the learners' experience and knowledge of SVA accuracy in their writing essay skill using Quillbot Grammar Checker.*
