

Fees Explanation and Schedule 2026-2027

Families pay one annual school year registration fee to HSP, and pay monthly tuition (plus one supply fee) directly to teachers. If there is a balance due on your HSP account, it is only for fees paid directly to HSP and does not include fees due to each teacher. The HSP account balance includes registration fees, special events, food purchases, books, etc. All teachers are independent contractors and must be paid directly by the 1st of each month. The fees for each teacher and preferred payment methods are listed in each class description. Each class chosen has a monthly amount due, a one-time supply fee cost, and a preferred payment method. All class-specific questions should be directed to the teacher's email address.

Good faith payment (May's tuition payment) and supply fees are due on August 1, 2026. The Good Faith payment is credited towards May's tuition and is forfeited if the student withdraws from class.

Monthly tuition payments are due on the 1st of each month and are made directly to each teacher. Electronic payments are preferred. The electronic payment information is listed in the class descriptions. Checks may be mailed to HSP 925 Ingleside Rd. Norfolk, VA 23502, and made out to the teacher. Do not make the check payable to HSP. Bill pay through your bank is a great option. **Please do not make payments to instructors on the HSP website. All tuition and supply fees are non-refundable.**

Late and Outstanding Fees

A tuition late fee of \$10 per class or 10% of that monthly tuition (whichever is greater) will be charged if payment is not received by the 7th of each month, and the student will not be permitted to attend class, receive work, or grades until payment is received.

All outstanding fees, including tuition and supply fees, must be paid BEFORE a family can register for the following year. Families who have a poor record of timely payment and poor communication regarding payment arrangements may be dismissed from HSP and denied re-enrollment. Final grades, progress reports, evaluations, high school course documentation, standardized test results, placement test results, and/or yearbooks WILL NOT be released until all past due fees to HSP and to HSP teachers are satisfied.

Withdrawals

The good faith payment is tuition from August, which is credited to the May payment for each class. Withdrawal from a class requires a [form](#) to be delivered to the main office after communication with the teacher. Tuition will continue to accrue until this form is received.

Withdrawal from a class before the end of the scheduled school year is a forfeiture of the Good Faith Payment. Teachers are not expected to prorate a month's tuition.

Withdrawn or suspended students are not eligible for year-end events or awards.

Withdrawal during disciplinary action is an automatic admission of guilt, and expulsion will be documented versus withdrawal. The student will not be eligible to return, and expulsion will be reflected for any referral requests.

Missed Classes/Holiday Months/Spring Break

Tuition will not be prorated for missed classes, holiday months, or spring break. Some months will have 2 – 3 class weeks because of holidays or special events. Other months will have 5 class weeks. **Total tuition for the year is based on 33 weeks of instruction, divided evenly over 9 monthly payments.** Please notify teachers and the HSP office by phone or e-mail if you must miss any class, and in writing if you plan to miss more than two consecutive classes. If you do not attend for three weeks and have not notified us, you may lose your place in class as we fill available space from the waiting list.

Teacher Absences

Teachers are allowed one emergency/sick day per school year without owing a refund or a make-up class to parents. Teachers who cancel additional classes, beyond the allowed day, without providing for a substitute, owe a makeup class or prorated tuition. Every effort will be made to cover a teacher's absence with a substitute.

Fundraisers

One or more HSP fundraisers may be held annually, and appeals will be made as needed.

Non-HSP fundraising is not allowed on campus.

Volunteer / Work Opportunities

There are volunteer opportunities and a small number of paid positions available to parents/grandparents of HSP students. These include door and hall monitor, activity and study hall monitor, lunchroom, refresh, playground, and general maintenance help. If interested, please email Office@HomeschoolPlus.org
