Revere High School HOF Nomination Guidelines

The Revere High School Alumni Hall of Fame was created in 1992 by then principal, William Holko, to honor Revere High School graduates who have distinguished themselves. Nominations are submitted to the RHS Principal through the end of February for consideration of induction in the spring. Selection is done by a majority vote of the Revere High School Alumni Hall of Fame Committee. Criteria included: 1) the nominee as a role model for current Revere High School students, 2) the nominee has distinguished themselves and/or shown great leadership at the local, state, national, and/or international level through their chosen careers or vocations, 3). Alumni who have made distinguished contributions to Revere and/or society through their work or donation of time.

If you visit the [Current List of Hall of Fame Inductees](#), you will see that the current honorees represent excellence in many areas of endeavor. The following is not an all-inclusive list, but hopefully demonstrates the many areas of accomplishment for which an alumnus could be considered for induction into the Revere High School Alumni Hall of Fame:

Research	Politics
Health Care	Businessness
Distinguished Military Service Career	Education
Community Service	Entrepreneurship
Humanitarianism	Athletics
Culture/Performing Arts	Leadership
Scientific Accomplishment/Discovery	Social Sciences
Community: Distinguished contributions to Revere and the community over sustained time period	

The selection committee carefully considers all nominations. Supporting information and documentation are important. If you have questions regarding the Revere High School Alumni Hall of Fame, please contact either committee member Phil Heyn (pheyn@revereschools.org) or high school principal Dr. Andy Peltz (apeltz@revere schools.org).
