

Hello Everyone!

We hope you had a great day 1 of the 2024 Idio NADGT Junior National Championships
Supported by Innova!

A few notes for Saturday:

1- Polos are in! Kyle Harrigan will be in the parking lot area with them for players to grab before their rounds! The time frame for this will be from 7:45am-8:15am. If you do not grab it we will have them Sunday at the course with us as well.

2- We are tentatively planning to move forward with our Distance showcase for the players Saturday after round 4!

During the Lunch period and for a brief time after round 4 we will hold qualifying in the fields near the parking lot: Players will get 2 throws to get their max distance: The top performers in each division will move to our distance showcase where they will each get 5 throws for a chance to be named the 2024 NADGT Junior National Championships Distance Champion!

Qualifying Spots: MJ18, MJ15, MJ12 Top 5 from each, FJ Divisions are invited to throw during the showcase, no need to qualify. The Estimated start time for the showcase will be 45 Minutes after the final card is finished with their 4th round.

*If weather becomes of concern or issue for us to complete we will cancel this portion of the event. Tomorrow afternoon storms are looking more likely and this can possibly delay round 4, which could put our evening activities in jeopardy, our primary concern is making sure we get all 5 of our rounds this weekend.

We invite everyone to come and join us to hang out and watch the players, and enjoy some post event relaxation at the park!

3-Late morning our friends from Disc Revolution will be onsite in the parking lot area vending! They have a great mobile set up and will be there for you to browse and hangout until the late afternoon!

4- REMINDER ROUND 3 Start time is 8:30am, NO PLAYERS MEETING, head to your starting holes. Starting holes for round 3 are posted [HERE](#)
