

Dear Allegheny Student Government,

I am writing to express my interest in the Treasurer position within the Allegheny Student Government.

I want to be considered for this position because I have always wanted to be in student government but never could find the time. As many of my commitments are winding down, I can now serve as a valuable member of the Allegheny Student Government. I think the Allegheny Student Government has a large capacity to affect students on campus positively, and I would enjoy being a part of its leadership.

Some goals I would like to accomplish for this position are:

1. Hold a forum open to campus to answer questions and make a statement about the position of Treasurer.
2. Increase the speed at which club leaders receive their reimbursements. I have heard from some of my brothers and friends who are waiting on reimbursements from events in September; this will not happen under my watch
3. Ensure that the clubs on campus spend responsibly and operate in good standing with the financial guidelines.

I am a senior majoring in economics at Allegheny College and have been involved in various student organizations throughout my time here. My involvement in these extracurricular activities has honed my financial management skills, and I am confident that my experience makes me a strong candidate for the role of Treasurer.

Here are some essential qualifications that make me an ideal fit for this position:

Financial Expertise: I have a strong background in financial management, including budgeting, expense tracking, and financial reporting through my work as Treasurer of Delta Tau Delta. I was responsible for collecting over **\$50,000** and ensured that brothers were appropriately reimbursed for expenses incurred in operating the chapter. I am also proficient in using tools like Microsoft Excel to maintain accurate and organized financial records through my various jobs, which you will find on the attached resume.

Leadership and Teamwork: I have a proven track record of leadership in student/extracurricular organizations, having served as VP of DTD, CBE Fellow, and Eagle Scout. These experiences have taught me the value of collaboration, effective communication, and how vital it is to portray an example of excellence to others. I have also had the opportunity to chair meetings which will allow me to transition to this position with ease.

Analytical Skills: My ability to analyze financial data and make informed recommendations will be an asset to the Allegheny Student Government. This past summer, during my internship, I analyzed over 200 customer contracts, looking for small details to save our company money, which I will look to bring to the leadership team of ASG. I am a proactive problem-solver and am committed to ensuring fiscal responsibility within the organization.

Dedication to the Student Community: I am deeply committed to positively impacting our campus and ensuring that student funds are allocated efficiently to enhance the overall college experience. Students should feel that Allegheny is their second home; I know it feels that way for me. This is why, as Treasurer, I hope to foster these events and experiences through responsible spending and leadership.

I am excited about the opportunity to contribute to the Allegheny Student Government and work alongside fellow students who are passionate about improving our college experience. My skills, dedication, and enthusiasm make me the right candidate to serve as Treasurer.

Thank you for considering my application. I look forward to discussing my qualifications in more detail. Please feel free to contact me at **strobel01@allegheny.edu** or **412-715-7200** to schedule an interview.

Sincerely,
Andrew J. Strobel
