KINDERGARTEN FAMILIES

Thursday, August 17

LH will be offering an **optional** kindergarten bus run. It allows incoming kindergarten students to experience riding a school bus for the first time. Parents are invited to ride the bus with your child to and from their elementary school. The bus run will begin at 9:50 AM and will run through 10:10 AM. Your child's principal will be available at 10:30 am to assist with any questions when reporting to school. Teachers will share the required information at the August 22nd Orientation.

Bus stops and schedules are posted on the LHSD.org website.

Please Note: All students will have a regular school day during the first day of school on 8/28/23.
