Digital programs will be available on betsyband.com/elizabethtonclassic for free.

VIP packages and T-shirts are available for pre-order at our [Online Store](#)

Spectator Parking

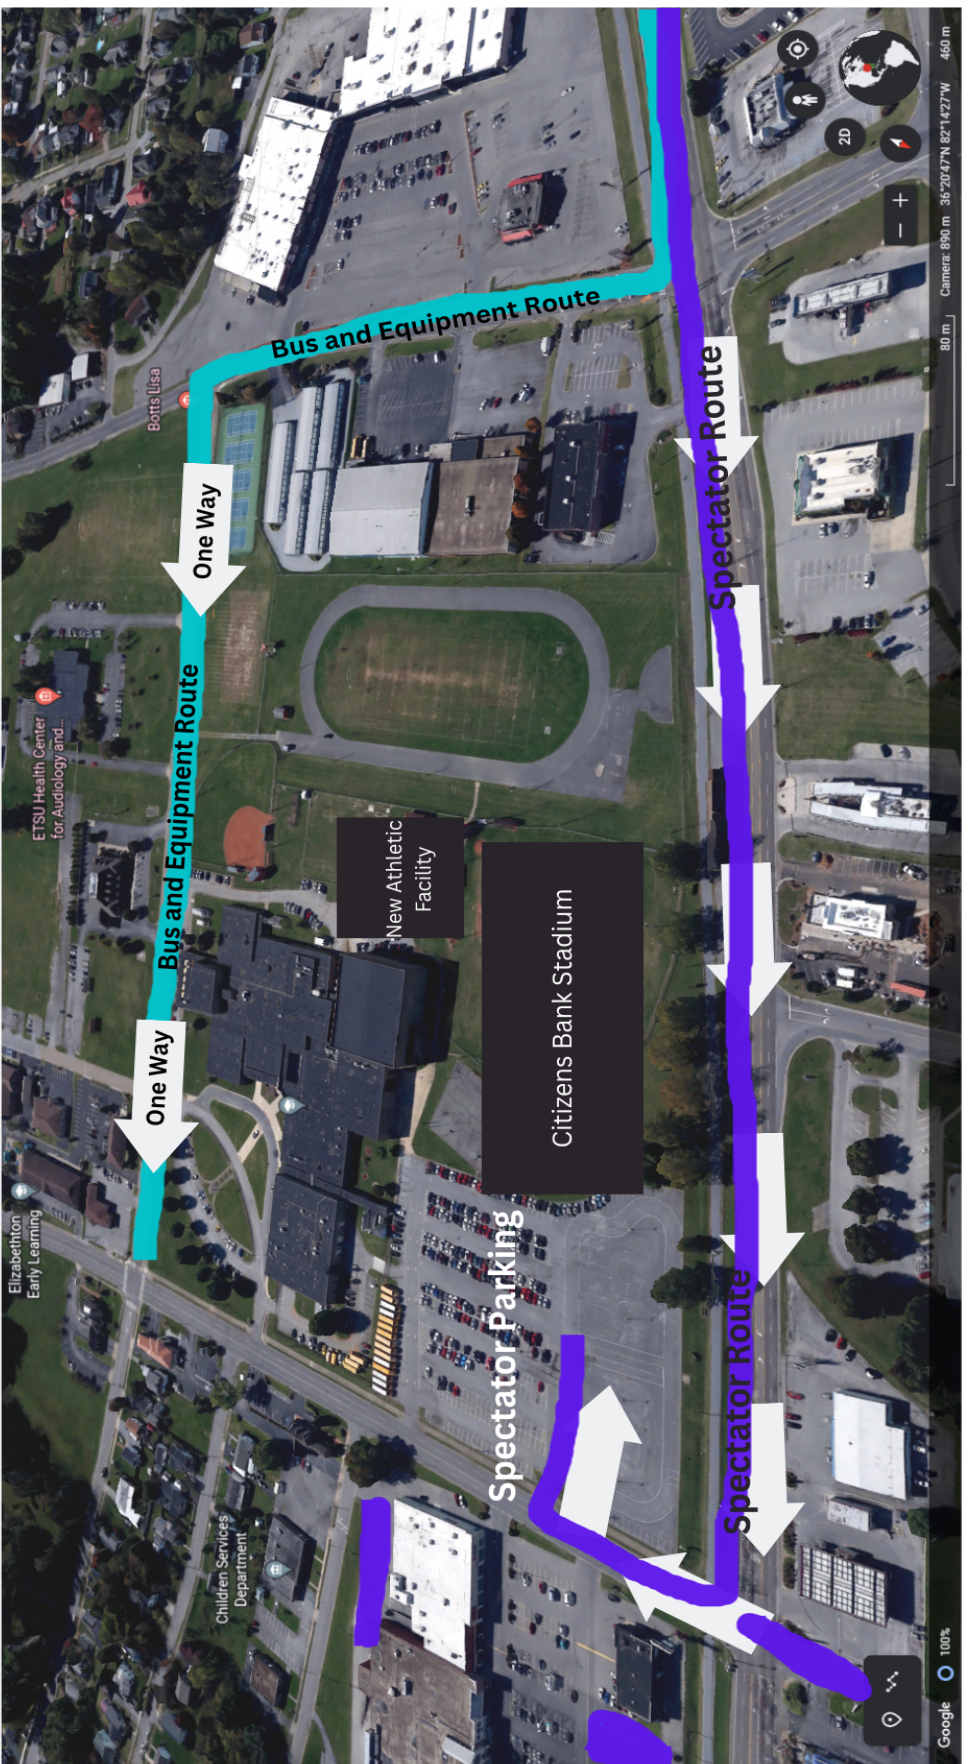

Spectators should enter campus via BEMBURG Rd (next to Dairy Queen) and park in the main lot outside of the stadium. Overflow parking will be across the street in the Ingles shopping center, where it's not roped off, or at the shopping center including Harbor Freight. The Harbor Freight lot is directly behind the Exxon on Elk Avenue. We will have some golf cart shuttles running as our parking lot fills up to assist anyone who needs assistance getting to the stadium. See the next section about handicap parking. All parking on or near Jason Witten Way will be for bands and volunteers ONLY

Spectator Handicap Parking

First, come to the main spectator lot and see if there are available handicap spots. We are adding several more to the lot for this day, so hopefully we can accommodate most if not all. If not, hail one of our golf cart shuttles that will be parked at the entrance to follow you to a parking location that you find and they will shuttle you to the stadium. The Handicap parking will be nearest to the entrance of the stadium, near the VIP parking.

Concessions/Vendors

Concessions will be provided by the Betsy Band Boosters. The menu includes, Hamburgers, Hotdogs, Chick-fil-a, Pizza hut, and Pepsi Products. Along with an assortment of candies and snacks! Official T-shirts with the logo and participating bands will be for sale on site as well as through our website. There will be vendors inside the stadium! Debit/Credit cards are accepted for the concessions only. All other vendors will have their own setup. We cannot guarantee that they will accept cards.
