It is with Pleasure that I write this recommendation letter for MD. SAID AL SABA.

I have been Saba's running supervisor of Commissioning period (June 2023- Running) for IHI- SRS Water Chemistry Lab of 2*600 Matarbari Ultra Super Critical Thermal Coal Power Plant Project.

Saba has been an absolute joy to work with our team as a Chemist. This role he has operated includes collecting, processing & testing water & documentation of Lab Data, test results & analysis and operating Lab equipment. He is very pleasant & dedicated to our Lab. Saba demonstrates the character and qualities that you look for in an employee. He is very punctual and always finishes her tasks in a timely manner. He has shown excellence in her laboratory knowledge & analysis skills.

I would strongly recommend him because he will be good at water chemistry.

Sincerely,

Surya Ajmera

(Master's in Applied Chemistry,

Maharshi Dayanand Saraswati University Ajmer, Rajasthan, India.)
