9th Grade Course Selections for 2021-2022_revised 6/22/21

Directions: Students should use this document and the Course Registration Worksheet to plan their course selections. **All selections should be submitted into this Google Form by March 19, 2021.** It will go live March 3, 2021. Students should be prepared to receive any eight of their twelve choices. The DPS High School Course Guide contains course descriptions: https://www.dpsnc.net/Page/411.
Step 1: Access and use the Course Selection Worksheet to make and keep track of your selections.
Step 2: Select four core courses: English, Science, World History, and Health & PE.
Step 3: Make your math selection.
Step 4: Make your remaining choices for a total of eight primary course selections. When you are finished, your number of A/B classes should be an even number and your number of semester classes should be an even number, including your Freshman Academy Courses.
Step 5: Make your alternate course choices. Select four semester courses OR four A/B courses OR two semester and two A/B courses.

Core Freshman A/B Courses Each student should have at least 4 A/B Courses. Select one course from each of the core areas: English, Social Studies, Science, and Health and PE.	Course Codes
