

Buffalo High School Boys Tennis Booster Club Meeting

February 26, 2025

6:00 pm at BHS Bison Room

Minutes: Jessica Schmidt

In attendance:

Coach Danielson

Tom Liemer

Megan Breyer

Jessica Schmidt

Anne Jungwirth

Jessica Kruschke

Stephanie Friez

Hunter Anderson

Meeting Discussion:

Updates from Coach Danielson

- Uniform team site is open. Jordan shared on sportsYou. Jessica posted on the website. Megan will order three shirts in case we have anyone join after the team store closes (1x M and 2 x L).
- Jordan needs a check to give the school for the 3rd coach. Check for Hunter will need to be \$2,993.90. Megan will send the check the week of 3/2/25 to Jordan.
- The Booster Club will vote at the end of the 2025 season to give Nick a financial gift for his volunteer work with the team.

President report (Tom Liemer)

- The Hanover Athletic Association gave us \$2K this year towards the ball machine. Tom is waiting for the check.
- Tom created a role description for the President role and put in the Booster Google site.

Treasurer / Fundraising report (Megan Breyer)

- Megan shared a spreadsheet with projected income
 - We did not make as much at Corbons as we did last year at Cub.
 - We received \$1K less this year from The Hanover Athletic Association.
- Current balance is \$8,200.
- Projecting \$9,400 in income this year (less than last year).
- Will probably have a balance around \$10K at the end of the season.
- Jessica S. to go back and fix the last booster club meeting balance to \$8,280.99.
- Steph Friez recommended we pursue sponsorships. In general, we'll be more successful if the players are involved and ask for sponsorships. Make sure when asking we share who we are, why we're asking for money, and specifically what the money will go towards. Steph and Anne to move this idea forward and create a plan. Tom will send Steph what he did for the Hanover Athletic. Jordan will send ball machine details to Steph and Anne. We will mention this at the spring sports meeting and share that more

information is coming. Players that help with sponsorships will fill their volunteer requirement.

- The Heggies fundraiser is underway. March 20th is the delivery date - pizzas will be at the school at 12:45pm and Megan will need 3 to 4 people to help (Megan is bringing a volunteer sign-up to the spring sports meeting). Megan is approved to buy ink for her personal printer due to all the printing she has to do for this fundraiser. Anne and Jessica S. to come to Culvers to help Megan sort orders.
- The Culver's fundraiser is ready to go. Sign-up Genius is out. Social post will be done by Hunter. Anne and Steph will call the activities office to get advertising on the school message board (need to create a slide) and posters if possible. They will also see if it's possible at the middle school. Tom will bring posters and buckets the night of the fundraiser.

Secretary report (Jessica Schmidt)

- Website is updated to reflect the 2025 season.
 - Updated uniform information
 - Updated with new player pictures
 - Updated with the date for teacher appreciation
- For the website, we still need:
 - Need Away Snack Sign-up (Steph is working on it)
 - Need Season Banquet Date
 - Need any additional information about home tournament
 - Need date for senior night.
 - Need date Luke Eglund is taking pictures.
- Created a player participation sheet for fundraising (located under the Fundraising folder) and Jordan will send an updated roster for Jessica to update.
- Created a folder for role descriptions within the Google account. Added secretary role description to it.
- Jess / Anne will host a Varsity team dinner on 4/16 or 4/23. They will work through Jordan.
- Shared that the managers would like to help with social media. The Booster agreed and they will connect / work through Daniel. They'll focus on game results, scores, pictures, etc. Hunter will continue to post on social media on behalf of the Booster club (e.g., fundraisers, meetings, etc.)
- Jessica to connect with Megan on how to get pictures from parents directly to our google account.

Other updates shared / discussed:

- Anne: Will contact Eklund Photography to see if we can get him for a home varsity and JV match. Will explore packages offered. The home tournament would be another great option.
- Senior Night: senior parents will finalize, but right now thinking it will be at our home tournament (April 19).
- Senior Banners: Luke Schmidt to take pictures on picture day and get to Hunter. Would like shots of the seniors from the waist up with a tennis racket in hand.
- Team Dinners: first one is March 27th (will bring sign-up to the spring sports meeting for sides). Jessica K is doing Coborns on April 11th. She's picking up the \$50 gift card from Corborns. It will be \$300 to get pasta from the Deli (\$250 after the gift card is used) and sides from Applebees (breadsticks and salads). Jessica will check with Applebee's to

see if they'd be willing to donate the pasta and then do a sign-up for sides. If not, she's approved to go ahead with Coborns. Megan will send Jessica K. Melissa's contact information (Applebees). Jessica K to bring a sign-up sheet to the spring sports meeting if ready. Can you sign-up genius after if we still need things.

- Spring sports meeting: we worked on the slide presentation.
- Teach appreciation: there is interest in a teacher night. Megan and Hunter are willing to lead. Dates will be April 10 for Varsity; April 17th for JV with back up dates being April 22nd (JV) and May 6 (Varsity). Jessica to put on the website.

Next meeting

- March 19, 2025 at 6pm at Huikko's Bar and Grill.
