

# Rose Garden

(Lys og midten synger de uthevede svarte linjene, men ellers synger koret på vokaler)

REF: I beg your pardon

**I never promised you a rose garden**

Along with the sunshine

**There's gotta be a little rain sometime**

When you take, you gotta give

So live and let live or let go, whoa-whoa-whoa

I beg your pardon

**I never promised you a rose garden**

I could promise you things like big diamond rings

But you don't find roses growin' on stalks of clover

So you better think it over

Well, if sweet-talkin' you could make it come true

I would give you the world right now on a silver platter

But what would it matter

So smile for a while and let's be jolly

Love shouldn't be so melancholy

Come along and share the good times while we can

REF

I could sing you a tune and promise you the moon

But if that's what it takes to hold you

I'd just as soon let you go

But there's one thing I want you to know

You better look before you leap, still waters run deep

And there won't always be someone there to pull you out

And you know what I'm talking about

So smile for a while and let's be jolly

Love shouldn't be so melancholy

Come along and share the good times while we can
