INT. PUNKCLUB-NIGHT

A punk rock club. Lots of people are wearing Danzig t-shirts. SHARON, a cute punk rock girl, slowly cuts off her fingers one by one. NICK, a cute punk rock boy, notices and walks over to her.

NICK
Hey I'm Nick.

SHARON
Sharon.

NICK
Couldn't help but notice you're
cutting your finger off.

SHARON
(flirty)
Yeah. I'm gonna cut them all off.

NICK
(flirty)
Oh yeah?

SHARON
Yeah. It just feels punk you know?

NICK
I know indeed.

SHARON
I have an extra knife if you
wanna...you know.

NICK
Pass the dutchee Lady Gaga.

Sharon hands Nick a knife. He stabs his hand and screams a little.

NICK (CONT'D)
Good knife.

SHARON
So do you come a lot?

NICK
To the club?

SHARON
No out of your dick!

They laugh and make out hard for ten seconds. Then go back to cutting their fingers off. Sharon has no fingers on her left hand.

NICK
You're a funny bitch.

SHARON
(playful)
Don't call me bitch!

NICK
Oh yeah? Why? Whatcha gonna do? Cut my fingers off?

Sharon stabs Nick in the love handle.

SHARON
You are...I love you.

NICK
Hey I just realized something. Once I cut off all my fingers on my left hand, how am I going to cut the fingers off my right hand?

SHARON
You mean like you won't be able to grip the knife?

NICK
Pronto Pussy Cat.

SHARON
Oh yeah fuck, I don't know, you wanna get out of here?

They make out again.

NICK
Sounds good babe. But babe-*don't ask me to finger you! Because I can't!*

BOB BARKER comes out with a giant check for One Million Dollars. Balloons fall from the ceiling. PUNK ROCK KIDS unzip their punk rock kids costumes and are revealed to be OVERWEIGHT TOURISTS.

BOB BARKER
Congratulations Nick, you just won joke of the night! You win a million dollars. What are you going to do with the money?

They laugh and make out hard for ten seconds. Then go back to cutting their fingers off. Sharon has no fingers on her left hand.

BOB BARKER Congratulations Nick, you just won joke of the night! You win a million dollars. What are you going to do with the money?

NICK

I'm gonna go to Mexico, get a surgeon to reattach my fingers, maybe catch one of those shows where a horse fucks a bus, and then finger B this fine little piece over here!

SHARON

I'm in love with you!

NICK

I was talking about that piece of pizza!

Nick points, with his fingerless hand, to a piece of pizza setting up a drum set onstage.

PIECE OF PIZZA

Stop it.

NICK

I'm serious Pizza! I wanna make you drip, drip, drip.

PIECE OF PIZZA

Nobody cares about me. They just want to eat me.

NICK

I'm not like everyone else. I wanna get my sweet fingers up in your sweet Marina sauce. Just, boom, boom, Ah!

SHARON

What about me?

NICK

Fuck you.

SHARON

What?

NICK

I was only using you to get to Pizza.

PIECE OF PIZZA

I have a name...

SHARON

You used me?

NICK I'm gonna go to Mexico, get a surgeon to reattach my fingers, maybe catch one of those shows where a horse fucks a bus, and then finger B this fine little piece over here!

NICK
Yeah deal with it. I'm a bastard. I
only do what I want. Whenever I
want.

SHARON
I opened my heart to you.

PIECE OF PIZZA
That was really mean Nick.

NICK
Shut up Pizza! You know what? Shut
up all of you. I'm out of here.
This place sucks.

Nick leaves. Sharon cries.

SHARON
I'm so depressed.

BOB BARKER
Should I order a pizza?

Everyone laughs.

SHARON
Bob that's...the funniest thing
I've ever heard.

BOB BARKER
Sharon I'm in love with you. This
whole joke contest? This was just a
set up to get to you. I knew that
Nick was no good. He was a selfish
person all along.

SHARON
He was?

BOB BARKER
Didn't you notice he never gave
back the knife?

SHARON
Ooooooh! I didn't notice.

BOB BARKER
It was very subtle. And clever.
Anyway. I thought, if I could make
a fake joke contest, throw it so
that Nick wins...

NICK Yeah deal with it. I'm a bastard. I only do what I want. Whenever I

want.

4.

SHARON
You knew his true colors would be revealed.

BOB BARKER
Precisely.

SHARON
But the money. Why did you give him a million dollars?

BOB BARKER
Oh. That wasn't a check for a million dollars. It was a time bomb. Yes, in five minutes, Nick will be blown to pieces. Dead. He will look like...well, like Pizza.

PIECE OF PIZZA
Is but my existence the butt of every joke?

SHARON
You did that for me?

BOB BARKER
I did. Now why don't we go back to my place.

SHARON
Okay. But you gooooootta Finger B me.

BOB BARKER
Sharon-I can Finger B your P.

A gospel choir comes out as Bob and Sharon leave.

GOSPEL CHOIR
(singing)
"He gonna finger B her P/He gonna finger B her P/He gonna Finger B her P/And we're gonna put that pizza in our butt".

The gospel choir keeps singing, and each put the pizza in their butt, one at a time.

PIECE OF PIZZA
No wonder I relate to Papa Roach.
