

BRIDGE ACTIVITIES

VICTORIA FALLS BRIDGE

The bridge between Zambia and Zimbabwe is a historic, iconic and breathtakingly beautiful spectacle. It hangs within the chasm of the Batoka gorge against a backdrop of the majestic waterfall, begging to be bungee jumped off, slid across and swung from. The team kindly obliged - you will never be feel so grateful to be flung from a 120m high platform.

Set below the Victoria Falls in the beautiful Batoka Gorges, this beautiful basalt backdrop offers the ultimate adrenaline filled adventures. Abseiling, Gorge Swing and Flying Fox are perfect ways to get the heart pumping and the blood flowing over the edge of a cliff face.

BRIDGE SLIDE

Enjoy this fun and adventurous slide (zip line). Experience a scenic and age-old technique of “sliding” across the Batoka Gorge from the Zambian side, landing on the Victoria Falls Bridge, while enjoying spectacular views of the mighty Zambezi River, the Batoka Gorge, and the Falls themselves during the high-water season. A tandem slide is also available.

BRIDGE SWING

Free fall for close to 70 meters before you fly out over the rapids of the mighty Zambezi in a huge arc. A tandem swing is also available.

BUNGEE JUMP

With the Falls behind you and the river rushing below the Victoria Falls Bridge this is certainly no ordinary bungee jump. At 111 metres it is also one of the highest jumps in the world and the adrenaline rush is as wild as the river itself.
