Experience:

Computer Science Tutor (Part Time)

Salt Lake Community College, Salt Lake City, UT (May 2023 – Present)

- Reinforced computer science concepts with students in order to assist them in completing their degree at the college
- Clarified assignments to students, helping them complete their assignments.
- Built good rapport with students in order to facilitate a positive and ongoing learning environment with them.
- Empowered student success by helping them navigate to various resources provided by the school.

Programming Club Officer

Salt Lake Community College, Salt Lake City, UT (August 2022 – May 2023)

- Facilitated a welcoming environment for students wishing to pursue their passion in computer science, inspiring them to continue their education.
- Recruited interested students to attend the club, expanding the horizons of students who may have otherwise not considered the major.
- Coordinated an event that connected the greater Salt Lake community and students together by preparing low cost computers for use by low income and struggling families here in the Salt Lake area.

GSSRC Resource Navigator (Work Study) (Part Time)

Gender and Sexuality Student Resource Center, Salt Lake City, UT (October 2022 – April 2023)

- Advocated for students and fellow staff members to help them succeed while still embracing their identities.
- Curated and ran a Womxn in STEM Panel for students at the college, empowering students as a result.
- Directed students to resources around the school and greater Salt Lake community to help them succeed in their goals.
- Educated students and staff about gender and sexuality related topics and answered related questions in order to facilitate a more understanding and open minded SLCC community.
