

Extended Metaphor

Directions: An **extended metaphor** is a metaphor that extends through several sentences, paragraphs, or even an entire work. What might the author be suggesting with the metaphors in the story? Use the chart below to examine the metaphors that are used throughout the story to determine the author's overall meaning.

Person/Thing	Metaphor/Comparison	What might this comparison suggest about the person/thing?

1. What is the overarching extended metaphor of in this text?
2. What is the author suggesting?
