- Geocoin and Movie Update
- Hello Everybody!
- Wanted to give you a quick update. If you have chosen the Geocoin as one of your perks, they are currently at the plant being processed. They look fantastic and we'll have a couple of different designs for you to choose from.
- We do have a slight issue with how fast they will be showing up. The entire company shuts down for 3 weeks starting today, so we won't be getting them until the beginning to middle of March. But as soon as we get them, they will be out the door to you. I'll keep you all in the loop if i find out they will be showing up any sooner.
- The film is coming along well. We are adding a bunch of screen shots in, which is taking a little longer than anticipated, but we are still chipping away at it. The time is actually giving us an opportunity to hone the film to make it the best we can. As soon as we have the film locked so that it just need sound, music and color correcting, we'll let you all know.
- Thanks again for all the support,

- New Souvenir - Jordan

SK:

- Did you notice this in GCHQ's The Logbook this week? Maybe a little foreshadowing?? (Remember Wonders of the World is an ongoing souvenir promotion)

- With so many wonders in the world, 14 wonders may just not be enough. Perhaps we should go back to our roots, or blast off to new dimensions! If you haven't earned the World Explorer souvenir yet, keep going! Something new may be on the horizon.
- If you're looking for new/more resources, check the official API partners lists on geocaching.com - <https://apidevelopers.geocaching.com/>
- New TB race?? Should Scott and Jessie race back to the porch? Or somewhere else?
