According to Coop regulations, the Membership chair facilitates the process of buying and selling shares so that the transaction is done in a "fair and equitable manner, with an emphasis on maintaining shareholder value."

Upon receipt of your completed application form, we will present your offer to the seller at the top of the list. If the seller accepts your offer, the Board must approve the selling price before the transaction can be completed. If the first seller does not accept your offer, we will proceed through the list of sellers in the order that the shares were posted for sale.

Keys require a $25 deposit per key, which is refundable when membership is canceled/or share sold.
