

CULTURAL AND NATIONAL IDENTITY ACT

A bill promoting, protecting, and developing the cultural identity, traditions, and shared values of the Imperial Exclaves of Hugia.

Presented and proposed by: Damian, Prime Minister of the Imperial Exclaves

Date: 22/04/26

Section I - Purpose

This Act establishes the foundation for the preservation, promotion, and development of the culture and national identity of Hugia with the Imperial Exclaves. It aims to foster unity among citizens through shared traditions, symbols, and practices.

Section II - Recognition of National Culture

The government shall officially recognize and support cultural elements including, but not limited to, traditions, symbols, customs, and creative expressions that represent the identity of the Imperial Exclaves

Section III - National Symbols and Traditions

Official national symbols, holidays, and traditions may be established, recognized, and maintained under this Act. These may include national celebrations, ceremonies, and cultural events that strengthen national unity.

Section IV - Cultural Participation

All citizens are encouraged to participate in and contribute to the culture of the Henist Republic. The government may organize events, activities, or programs to promote cultural engagement.

Section V - Preservation and Respect

Cultural elements recognized under this Act shall be respected and preserved.

Section VI - Enactment

This bill will become law when the majority of the Grand Assembly votes in favor and is approved by the prime minister.

SIGNATORIES:

Prime Minister of Hugia, Henry
