This disclosure is in addition to the school-wide disclosure and all expectations will be followed.

Course Description

In Secondary Math 3, we will focus on material that will help you improve your critical-thinking and problem-solving skills, prepare for college entrance examinations, and will give you a solid foundation for future math classes. I firmly believe that all students are capable of succeeding in this class, but **success requires participation, dedication, and organization.** It is important that students **ask questions, take notes, complete all assignments, and participate in class activities.** Following the **MINER** traits as listed in the school-wide disclosure is expected.

Tutoring

I am available from **M-Th 7:00-7:25am & 2:25-2:55pm F 1:25-2:25pm PLT & 2:25-2:55pm** for students who need extra help. No appointment necessary. There will be tutoring offered; schedules will be posted.

Supplies

Students are required to come to class prepared to actively participate. Each student is responsible for bringing his or her own paper, pencil, **willingness to try**, and math notebook to class every day. Calculators are available, but you may want your own.

Grades

A 93-100%	A- 90-92%	B+ 87-89%	B 83-86%	B- 80-82%	C+ 77-79%
C 73-76%	C- 70-72%	D+ 67-69%	D 63-66%	D- 60-62%	F Below 60%

Grades will be calculated as a weighted average based on the following categories:

Tests and Quizzes (65%)

Tests will be given at the end of each unit. Missing class on test review day **does not** entitle you to take a test late. You will be required to take the test with the rest of the class unless you have made other arrangements with your teacher before the day of the test. If you are absent on the day of a test or quiz, you will take it in class the next day you are present.

Retakes for Unit Tests: Tests CAN be retaken only after the student has completed each of the following tasks:

1. Completed *all* homework from the unit with at least 75% accuracy before the unit test.
2. Completed the test retake review to 100% accuracy (checked off by your teacher)

Deadline for Test Retakes is 10 school days after the original in class test date.

Retakes for Unit Quizzes: Quizzes CAN be retaken once you have completed the corresponding homework and required remediation assignment.

Deadline for Quiz Retakes is the date of the current Unit test.

Homework/Classwork/Notebook (25%)

You must show all your work to have the possibility of receiving full credit on assignments!

Homework/Classwork is designed to give you a chance to practice solving problems, ask questions, and get any needed help while the new material is fresh in your mind. Homework will be assigned most class periods and will be due at the **beginning** of the next class unless otherwise specified. If you get teacher permission, you may **redo** any assignment for **full credit up to the day of the test** for the corresponding unit. If you are absent, work is due before you take the corresponding unit test. **NO LATE WORK WILL BE ACCEPTED AFTER THE TEST DATE FOR THAT UNIT.**
Students must grade their own absent / late work on their own time! Extenuating circumstances must be discussed with the teacher.

Attendance (10%)

Attendance is vital for success in this class. See school-wide disclosure for attendance policy.

Cheating will not be tolerated. If you are caught cheating, you will receive an automatic 0 and no retakes will be allowed.

No cell phones, earbuds, or personal electronics during class time. See school-wide disclosure for more details.
