

Senior April Reminders

2026

1. **Contact all colleges of acceptance.** Once you have made your final decision of which college you plan to attend, you need to contact the other colleges at which you were accepted, but do not plan to attend. Please do not put this off...it could delay another student from receiving award money or an acceptance letter.
2. **Dorm Deadlines**...many deadlines are set for May 1. Don't forget to check with the colleges to find out their specific deadline.
3. **Contact the college financial aid office** if you have any financial aid questions or concerns. They are the experts! I would be happy to assist you in making that call.
4. Keep applying for scholarships! Read through the [Scholarship Searches](#) on my website CAREFULLY. There are deadlines that need to be met for each one.
5. If you are planning to enter the **Work Force** or the **Military** after graduation, make sure all is in order!
6. If you are not attending college, please check out the [Job Listings](#) on the Guidance Website.
7. Finish Career Passport/Seal Paperwork (**Graduation Requirement**)

CONTINUED...
