

Credit Recovery Program

The RRHS after school Credit Recovery Program is available to all RRHS high school students. To enroll, students must work with their counselor to evaluate their transcripts, identify their needs, and sign up for credit recovery.

Students and parents are required to complete the form available on the RRHS webpage. They must also sign and submit a contract to enroll in the Credit Recovery Program. After submitting the signed contract, the credit recovery administrator will contact you via email to place you in the appropriate course.

The cost of the program is \$50 per class for Native American students who have a completed 506 form on file with the school district. For students without a 506 form or Free and Reduced Lunch, the cost is \$100 per class. Credit Recovery is on Monday, Tuesday, and Thursday. Session one is from 2:00-3:30 and session two is from 3:30-5:00.
