

NEW YOUTUBE SERIES FOR KIDS - OUT NOW!

Please [subscribe to our YouTube channel](#) to check out our brand new series, starting today, Weds, 9 October - check out our first one, by clicking on the image, below...

We will be offering fortnightly “Music Time with Loopy Tunes” for younger tamariki to learn more about all our different waiata, starting with a few from our soon-to-be-released album, “Kahurangi: Little Treasures”, and ending the year with a couple of Christmas waiata.

Each mini music session will look at one waiata, offering up clues for tamariki to help figure out which song we’re singing. The sessions are nice and short, and we’ve had so much fun putting them together for you all! The following week, we will release the waiata as its own music video for you to enjoy on it’s own, over, and over, AND OVER, again!! Lol! Then a new song will be featured the next week, and so on!

With a repertoire of over 150 waiata, we have plenty of material to keep this series and can’t WAIT for your tamariki to check it out, VERY soon!!
