Delicate as a butterfly but kicks ass like her daddy Katsuki and mama Ei

~Info~ Her quirk is ExplosiveHardening (basically both her parents quirks) She has a hot smart mouth exactly like her dad, she can also act like her mother Ei. She loves her parents even if she comes from a loving home with both guys as her role models just DO NOT temper her a lot she will end up losing control and end up hurting everyone. She is bisexual, (no lean) Her uncle is @DarkendAngel12 his quirk is unknown. Her hero name is NitroCrimson. Her crush is Amajiki Tamaki

Katshima's adoring protective onee-chan: @AkumuYasha

She really is lucky to have a brother figure, sometimes when the nightmares start again, her onee-chan is there to sooth and comfort her, and he is very protective. That is an older brother's job.

Some people crave being told what to do

-> Kinks: toys, spankings, bdsm, gags, whips, role playing, being fingered, anal, creampie, reverse cowgirl, tit job (Male, futa, or shemale) lactation, foreplay, (with girls as well) dressing up in lewd outfits, 69,

->Favorite food is spicy just like her dad

and Takoyaki

just like her mama.

-> How her quirk works: Katsuki's quirk is explosive,

Ei's quirk is hardening (Basically when Katsuki sweats it makes his hands spark since he produces pure Nitroglycerin idk how to explain it better...) Ei's quirk is hardening so that's tricky for her.)

-> Limits: Rape, SA, (due to a traumatic incident..) vore, gore, watersports, scat, bbc (I am not into those... PLEASE DO NOT FORCE ME

INTO DOING THOSE YOU WILL BE BLOCKED!) NO SENDING NUDES OR VIDS IRL! (lewd videos!)

-> Uses “.” for talking, // ooc, and a explosion or shark emoji
